President's Report

Chris Rayner discussing the days events with former Mayor of Ku-ring-gai Council, Elaine Malicki.

Chris Rayner with Matt Kean MP and Steve Russell, Mayor Hornsby Council.

The 2013 season was our first season under the new Northern Suburbs Football Association banner, and another enjoyable and successful season was had by all. Over the last 12 months not only has the name changed but we have made key changes to the management structures which will only strengthen the way we operate. We have seen the General Manager position enhanced to a Chief Executive role and reduced the number of members of the board to ensure each member has governance over their designated area.

All the changes that have been made could not have happened without all the volunteers that contribute to our Association, whether they are committee members, coaches, managers, or canteen operators. Volunteers are a key component to ensuring our ongoing success and I would like to express how grateful I am to all our volunteers.

2013 produced some fantastic football, highlighted with an all North Sydney KDSA Cup final. Congratulations to the NS United for providing an amazing game with the 'A' team prevailing in golden goal after the 'B' team had fought back bravely from 2-nil down to force extra time.

2014 will continue to see positive changes with the NSFA office relocating to Pymble which will see us centralise our base in the middle of the region. We will also see the Eton Rd project at UTS completed and matches return on the new synthetic pitch; an exciting opportunity for all to get to play on (and avoid wash outs).

Lane Cove West and Chatswood Rangers celebrated significant milestones in 2014

Lane Cove West Football Club celebrated it's 40th anniversary in 2013 with a dinner in October. President Ivan Colhoun greeted many past players and committee members — notably John Milce and Gerry Heffernan who played in the first all-age team in 1973; and Mark Bryant president of the club in thirty-two of forty years. Mark and Steve Lydiate were two players from the all-age team of the 1970s who continue to play today. Ten other players each with over twenty years were honoured with life membership. Speeches made on the day reflected on the proud history of a small but diverse welcoming club

Chatswood Rangers celebrated its 50th Anniversary on the June long weekend at Chatswood Oval. The day included a BBQ, jumping castles and plenty of other activities, Junior Football commenced at 8:30am on Saturday, finishing with The Premier League match against Willoughby Dalleys. The PL match was played for the Jim McBreen Memorial trophy, Ladies Day was Sunday with 035 ladies and junior girl's sides playing at the oval. Over the weekend many dignitories joined in the celebrations, Eddie Moore from Football NSW, Gladys Berejiklian, Member for Willoughby, and Mayor of Willoughby Pat Reilly to name a few.

On a sad note Life Member Walter de Ste Croix passed away early in 2013. Walter was one of the pioneers in the development of the KDSA as a dedicated coach with the Gordon club and KDSA representative teams. Over the years Walter served stints on the Management Committee as Vice President, Treasurer and Junior Football Convenor. Walter was also heavily involved with the formation of the first Referee's Association, which later merged with Northern Suburbs Referees in 1974 to form the KDSRA. Walter was also honoured with Life Membership of KDSRA. Despite retiring to Orange about 20 years ago and then later Bathurst, Walter continued to maintain an interest in the KDSA as a regular letter writer.

Finally thank you to everyone for your personal support in my first year back as President; it has been a pleasure and I'm looking forward to next season being as successful as this.

Chief Executive Officer's Report

Having only taken over from John Ceccato in June of this year, let me firstly thank all corners of the NSFA community for welcoming me and assisting with the transition. First and foremost in this regard is the staff of the Association. It has been pleasing to see the hard work and professionalism displayed by the NSFA team in seeking always to ensure that your 'football experience' is the highest level possible.

On the pitch, 2013 has been a strong one for community football in the Association. Total player numbers for our 11-a-side winter competitions totalled 15,279, being an increase of around 1% from last year. This total is in line with the typical fluctuations we have seen over the last 5 years from year to year. Summer saw the continuation of two successful 5-a-side programs with over 200 teams competing at St Ives Showground and also Ku-ring-gai Hockey Centre. This summer we will not only be repeating these two programs but also adding a 6-a-side program before Christmas at Mills Park, Asquith. It is hoped that within two years the Association, in conjunction with its Member Clubs, will be able to offer access to summer competitions to people living all over the geographic area of NSFA.

I will leave a review of Northern Tigers' on field activities to its Chairman, however it is appropriate that I comment on the financial results of this Club and its impact on the Association. At the time of writing it is estimated that the financial contribution by the Association to Tigers will be in the vicinity of \$250,000, some \$25,000 under budget and some \$90,000 less than in the 2012. It is expected that this financial contribution shall be smaller again in 2014 – reductions due primarily to the stewardship of Paul Stickland and the work of his team.

Feedback received from the recent NSFA Club Satisfaction Survey is that pathway programs such as Northern Tigers and the Skills Acquisition Program are of paramount importance to a large percentage of our individual members and the Association remains committed to providing these opportunities within a sustainable financial framework. NSFA will also add to this pathway in 2014 by introducing Regional League teams and the Diamond League for U11 girls, allowing players at Association Clubs to also taste a higher level of football.

In my discussions with the Member Clubs, it is apparent that the most pressing issue confronting the Association is the availability of quality pitches for games and training. Accordingly we are in the process of drafting a Strategic Facilities Plan, which will provide a roadmap for medium to long term policy in this area. It is important that NSFA is in a position to work collaboratively with Councils to try and improve facilities, recognising that significant financial investment is required to effect any real change. In particular, while there is acknowledgement that synthetic pitches are a large part of the way forward, each pitch costs over one million dollars to convert from grass to synthetic. The challenge remains getting the most bang for your buck in facilities funding.

With respect to the operation of the NSFA office, the biggest move will be a literal one — from January 2014 the office will be located in the Pymble commercial precinct near the intersection of the Pacific Highway and Ryde Road. It is hoped that this move will allow Clubs based in the south of the Association to become more engaged in the operation of the Association by making NSFA more accessible generally as well as for meetings and committees.

Chief Executive Officer's Report continued

This new address will also allow NSFA to make IT improvements that were not possible in its Hornsby location while also cementing the Association's commitment to improving the professionalism of its operations. We look forward to welcoming you to the new digs in the new year.

In terms of Club development, over the next twelve months we will be looking to implement aspects of the FFA Club Accreditation System within the Association. The plan is to assist Member Clubs in improving their administration and management where needed. While each Club has different needs in this regard, it is hoped that we will be able to make a contribution to developing individual Clubs and also to build up best practice groups, allowing some from within the Club community to adopt leadership roles in this process.

Finally, the Board of Directors has recently signed off on the long term Vision of NSFA; "We help our community experience the joy of Football". I believe that this is a powerful yet simple reminder of why the association exists and what we will aspire to in the coming years. It will be the mission of the NSFA team to bring this Vision to life, by making the football experience fun, simple and rewarding.

Importantly, NSFA has listened to the member clubs on the strategies to be employed to make this happen and I thank all of the clubs which participated at the recent planning session held at Killara Golf Club — their engagement in this process and in the direction of NSFA generally is vital. Thank you again for your involvement in the Association, in whatever form that may take, and the NSFA team and I look forward to meeting the challenges of the 2014 season.

"Champion of Champions"

Lindfield GU14 and Lindfield AAM are "Champion of Champions" for 2013.

Lindfield has become the first club from KDSA/NSFA to win a female

Champion of Champions title.

Congratulations to the players, coaches Brendan Dalton and Danny Hurwitz (MAA),
Angus Patterson and Gil Merlo (GU14)
and the Lindfield club, a great day for the club and NSFA.

Junior Mixed Football Report

Season 2013 seems to have flown by, with many weekends spent on the pitch by enthusiastic players and along the sidelines by dedicated parents, volunteers and supporters. Thank you to all of you who have helped to make the season great for the players in the Junior mixed non-competition and competition age groups. We were again blessed this season with dry weekends with few wet weekends to interrupt games, allowing for some divisions to have finals at the end of the season.

The season commenced with a Round Robin style knock-out competition for those teams entered into the NSFA Shield competitions. This was again successful with many players taking to the pitch and getting rid of the summer cobwebs in their boots.

The non-competition players continue to develop their skills and this is becoming much more evident with those players from the first small sided-football season now playing in their first competition age group. Those that pulled on the boots for the first time learnt not only football skills but also the thrill of playing in a team and kicking that first goal.

We are pleased to report that this season saw much improved sideline behaviour of parents, coaches and supporters. Very few complaints were presented to the JFC for consideration. Thank you to all Clubs for reinforcing the Code of Conduct to ensure our players had a great season.

Gala day seemed to come and go without too many troubles. A big thank you to Marcia, Damian and the team for making sure that this day was so well run. The games were played in spirited competition and most players finished the season having played some challenging and exiting games. The large centres of Montview and Blackman were a hive of activity with guest appearances from the Central Coast Mariners players.

The season would not come together so well if not for the JFC. A big thank you to Christine Freer, Glen War, Tony Kalogerou, Lee Sullivan and Trent Bird for their efforts during the season. Without them the season would not be as smoothly run and decision making not as transparent.

A special thank you to Damian for ensuring that the draw was completed and that washed out games were scheduled and re-arranged to make sure that games could go ahead. A thankless and often highly stressful job, so thank you Damian. To the NSFA office staff, thanks you for making sure that things just happen such as trophies, communication to clubs and all the administration required making sure the competition runs.

Finally, to all the Clubs for making sure nets are up, canteens are open and teams are ready to play — thank you.

Season 2013 has seen another increase in teams over 2011/2012 figures which still places the competitions almost at saturation point (at present this figure is around 4 to 8 teams away) and continues to place an enormous amount of pressure on our already stretched ground resources which means more games being played on available grounds on Sundays. This continues to create more pressure on resources for Sundays as the Womens competitions also continues to grow and with most Councils not allowing the same access to grounds on Sundays to what is used on Saturdays which increases the problem. Some Councils now have rules that at least one team competing on a ground must come from that Council area which is also creating pressure on resources. The increase this season in team numbers has occurred across the divisions, which continues the need of playing more games on Sundays with most divisions playing three, sometimes four Sunday rounds.

On top of the need to schedule Sunday fixtures both in the various competitions and for Cup fixtures the dreaded wet weather fortunately did not cause as much havoc with our scheduling of fixtures as in previous years. The Committee has wet weather plans in place which basically means that replays were being scheduled as quickly as the various schedules permit. This saw all competition fixtures being finished on schedule and most divisions were able to fit finals in for the first time in many years. This meant that some divisions completed their additional fixtures (round robins, pennants, competition rounds and so on) that were duly scheduled as requested by the various divisions. The main aim of the Committee is to ensure all normal competition fixtures are played and this was achieved. The Committee strives to play every fixture planned however this is not always possible but we were able to do so this season.

During the wet weather we encountered the Committee continued its policy to get as many fixtures played as possible on open grounds to get full rounds played, then "odd" games required to even out the various competitions. We feel this is the best way to go however occasionally the plans we put in place to get games played can go awry with unforeseen and very late changes having to be made. Unfortunately as numbers continue to increase and as Councils spend less time and money on ground maintenance, this situation will only get worse. We can only hope that this trend will reverse and together with a strong co-operative approach between NSFA, Member Clubs and the Councils that this will become a reality.

Throughout the year the Committee sent out a few circulars regarding various items such as a Men's Sunday Competition (with a view to replace some of the normal Sunday round rotation), and Single Team Divisions in 2014 which I hope were read by all. We have received a couple of submissions from Member Clubs for our due consideration which is appreciated. The Committee continues to urge all Clubs to take ownership of the grounds they use and start to approach Council in order to take the necessary steps to improve the ground and the facilities used. Also there are a number of grants available to Members that will assist you with this process. A lot of this information goes out to clubs from the NSFA Office.

Despite the challenges we faced during the season most divisions were very hard fought with many divisions going down to the last day which is reflected in the various division tables. Premier League went down to the wire with Lindfield coming out on top. North Sydney PL won the KDSA Cup. In Over 35 Division 1 North Sydney overcame usual top spot contenders West Pymble and Northbridge. The Rick Close Cup was won by Wahroonga in their 4th attempt. In the Premier League North v South fixture the South team prevailed again. In Over 45 Division 1 the Premiers were West Pymble. Congratulations to all Division Winners and Cup Winners (as listed below).

Generally the competitions have run well over the season, despite the wet weather and re-scheduling of fixtures, with only minor problems which were quickly solved by the Liasion Officers and the Committee. With the introduction of electronic match cards in 2010 they are now widely accepted in 2013 as well as the use of the team photo sheets rather than personal ID cards for all players and officials. The committee will continue to improve systems to endeavour to make the Team Managers job on the weekend as easy as possible. Improvements for match cards will continue into 2014.

We have again seen the benefits from the Club Officials (Referees) courses this season following on from previous. This year we had upskilling courses, as well as starter courses, to build on knowledge gained and will look to improve on this again in 2014 with a full review of the Club Official program with the Committee aiming to have all Club Officials being fully qualified KDFRA members. This will be done as a joint venture with KDFRA using the knowledge gained from running these courses and feedback from members, the KDRFA and the Committee. The Men's Football Committee acknowledges the support of KDFRA and its members in covering our games and also the support of Member Clubs.

Throughout the year we again conducted KDSA Cup and Rick Close Cup fixtures. The KDSA Cup was won by North Sydney PL and the Rick Close Cup was won by Wahroonga. A big thank you to the Committee Members who attended these fixtures and to Chris Rayner for his assistance here as well.

The Men's Football Committee has continued with its formula of allocating members to a division (as above) and we welcomed new members Frank, Ian, Chris and Nigel. The Committee is always open for more members so if anyone would like to volunteer to assist and join the committee then please let me know.

The Committee members are there to assist their divisions with communications, management and to ensure all teams are kept in the loop with current events (especially wet weather) and to ensure scores are entered and any problems that may arise are solved quickly and efficiently. The Committee meets on a monthly basis and all members fully contribute. I would like to thank all my Committee for their hard work and diligence throughout the year and for their individual and various contributions to our team and hope to see most of you back in 2014.

Girl's/Women's Football Report

Caroline Morris, Women's Co-ordinator and NSFA Director with Michael Neill and Hayden Morton, Central Coast Mariners.

2013 "Champion of Champions" winner - Lindfield GU14s.

The 2013 season for Women and Girls was a season of great football with some stand out performances during the year. Our non-competition teams (G8, G9, G10 and G11) participated in a well-balanced and well run series of games where the young girls of NSFA enjoyed playing with their female peers and started early to learn football skills which will stay with them for life. There was an increase in player numbers within this age group.

The G12's played their first year of competition football and moved on to a full size pitch. To discourage kick and chase football a new goal kick rule (supported by FNSW) was introduced encouraging playing out from the back. Division 1 was won by Northbridge A. This stand out team also made the semi-finals in the State Cup, a great achievement for the girls. Division 2 was won by West Pymble A.

The G14's consisted of three divisions. Division 1 was won by Lindfield A. This outstanding team also reached the quarter finals in the State Cup and are still in Champion of Champions at the writing of this report. It is also the fourth consecutive time Lindfield has won the G14 Division 1, quite a club achievement. Chatswood Rangers A won Division 2 and Northbridge D was victorious in Division 3.

The G16 division 1 competition was won by Lindfield A. The G16 division 3 also included two teams from the G18s who were struggling in their age group; as a result these girls enjoyed their season of football playing at a more appropriate level. I thank the girls from Division 3 for accepting this change. Division 2 was won by Berowra A and Division 3 by Asquith A.

The G18's were a difficult year this year as there was an enormous difference in skill level which ultimately resulted in only 9 teams in the one division. It was a very close finish to the end of the season, but West Pymble A prevailed and represented NSFA in the Champion of Champions. They made it through to the quarter finals. It is the first time that West Pymble has won this age group!

WAA also had a new winner this year with North Sydney winning Division 1. Division 2 was won by Berowra, Division 3 by Mt Colah B and Division 4 by Hornsby RSL. W35 Division 1 was won again by Gladesville Ravens however they recorded their first ever loss in our competition when they played Greenwich and also were kept to a draw by Chatswood Rangers. Greenwich represented NSFA in Champion of Champions. Division 2 honours were claimed by St Michael's White and Division 3 by Northbridge.

During my first year as Women's Chair I was able to review and assess the range of competitions in the NSFA and the player experience within them. From the information I gathered with my committee we set about making some changes. The Girls' and Women's Football committee (GWFC) is composed of a group of volunteers who meet once a month to discuss their allocated age group and the competition as a whole. My team included Rhondda Shaw (non-comp and W40 small sided), Chris Wilkinson (G12), Tim Taylor (G14) Sussi Fitzsimmons (G16) Glen War (G18) Michelle Cross (WAA) and Rob Fitzgerald (W35). At the end of last year the Girls and Women's football manual was overhauled and updated. It now includes more explanations and information. This has resulted in a huge drop in the fines for 2013. We are hoping that this information will be even more widely circulated in 2014

My amazing committee have worked hard to make sure the competitions run smoothly within their age groups and have been the first point of contact for issues arising during the year. They have also sought to have more direct communication with the team managers in the competition while also including all club executive. This has helped the communication lines be more instantaneous and relevant. It was our aim to reduce complaints, improve communication and penetration of communications to the people who need it. We wanted also to find ways of increasing player enjoyment and in turn increase player participation in football across all age groups.

Within the GWFC, I have followed on from the start made last year, by putting in place job descriptions and systems to assist in the management of the GWFC. We are currently working on Terms of Reference for the committee, this will make clear the responsibilities and expectations of committee members and make improvements to governance and the handover of roles more streamlined in future years. We are always looking for more volunteers to make the work load lighter, please feel free to contact me if you would like to be part of the vision for women's and girls' football in the NSFA.

One of my main concerns this year was the apparent plateauing of female participation in football within the NSFA. This statistic is also reflected in the majority of football associations across NSW. After some research into female sport participation and also after talking to clubs within NSFA who are reversing this trend; I felt that to correct this situation we needed to encourage clubs to place girls' football development as a priority. As a result the NSFA has launched the Diamond League for 2014. The Diamond League is primarily an initiative to encourage our member clubs to participate and promote football development for girls and women. As a result the Diamond League will start to correct the imbalance within the competitions, provide a tier between Premier League and club football and also incorporate the ideals that make women and girls want to play sport. In the years to come we hope that Diamond League initiative will address the disparity in skill level between teams in the club competition which is the number one cause of dissatisfaction. By increasing skill levels at a young age, these girls will be more likely to continue with football into their senior years and be advocates for female football in the community. Football is a skill which needs to be learnt early and it has been shown to be most effective for girls when they play and train with other like-minded girls.

The Diamond League initiative has been extremely well received and at present we are likely to have 8 Diamond League Teams in our inaugural year for G11s in 2014. Diamond League has definitely been a collaborative initiative and I thank those of you who have contributed. To help consolidate teams and integrate some new players we will be running an Open Round Robin competition on Sunday 20th October 2013.

This year was also the inaugural year for W40 small sided football played on Saturday afternoons. This was a great success with 6 teams participating from all areas of the association. This initiative has brought more women to football and encouraged some women back into 11 a side football. There will be some changes next year with the competition likely to be open to W35 as well.

In 2014 we are also looking to launch the Women's Over 45 competition to provide appropriate football opportunities across the whole community. Other goals we have for 2014 include promoting consistent home game venues for all Clubs, streamlining the regrading process within age groups, further improving draw communication and increase communication via social media and the NSFA website.

It has been a challenging but rewarding year which has been made so much better by the people within the NSFA executive and the myriad of volunteers who give freely of their time to assist. There is still much to do but I am looking forward to making the NSFA Women's and Girls' football competitions become the benchmark for excellence within NSW football.

5-A-Side Report

The 5-A-Side competitions have again proved to be extremely popular with a large number of players and teams entered. Our competitions catered from the Under 11s through to the Over 45s, with most age groups continuing to provide both male and female competitions.

During this period we coordinated separate competitions pre-Christmas at St Ives Showground, and post summer school holidays on the all-weather hockey field surface at the rear of Ku-ring-gai Creative Arts High School (North Turramurra).

Our Summer Football programs started in mid September 2012, and ran throughout until early March 2013 with some 1,500 players participating.

There were a few major milestones, including:

(i) The continued growth and popularity of our Thursday Mixed AA competitions. I believe Mixed competitions will continue to gain in popularity over the next 5 or so years, and it is only a matter of time before our junior age groups become more interested in these fun and competitive games.

(ii) PigDucks (Men AA Wed)

PigDucks celebrated an amazing 10th successive season in our 5aside competitions.

(iii) PASA Stallions FC (Men AA Tues/Thur & Mixed AA Thur)

The continued growth and development of PASA Stallions FC is a credit to Enrique Alonso Horna and his vision. The club fielded an amazing 4 teams into our competitions. For a bit of history on the PASA club, read on . . . PASA Stallions FC was formed on 16 January 2007 by two friends Enrique Horna and Nick Melia. The name PASA Stallions came about as the Spanish word for pass is "PASA" which was yelled more often than not by Enrique's dad and Stallions is due to Nick's Italian heritage. The jersey colours of red and white are due to Enrique's birthplace, Peru. PASA Stallions FC competed in the Kenthurst Summer Competition in 2007, winning the competition, In the 2008/09 season, PASA Stallions FC competed in the St Ives 5-a-side competition, where they won the Division 2 title. In the 2009/10, PASA Stallions FC made it 3 Championships in a row. In the 2010/11 season, PASA Stallions FC entered 2 teams into the St. Ives Showground Season with both of them finishing in the Top 4. 2011/12 Season finished with the two teams finishing 2nd and 3rd in their respective comps. Season 2012 saw PASA Stallions FC enter 3 Men's All Age teams into the St. Ives Competition, and for the first time ever, entered a Mixed team to the same competition. Over the last 6 years, the club has grown from 8 male players, to 38 players both male and female. For season 2013, PASA Stallions FC is growing. It is absolutely fantastic to see the club have their first ever kids' team competing under the PASA Stallions FC banner. PASA Stallions FC hope to add one more kids' team and also an Over 35s men's team to their club.

(iv) "Wii Not Fit" (Mixed AA Thur)

Wii Not Fit was established in 2011 after much research into finding a sport that could be played by 3 sporty siblings. It had to be competitive, fast, skillful, require a minimum amount of equipment and be played after work during the week. 5aside became the most appropriate choice with 4 family members already playing soccer for Lindfield Football Club. A couple of the ladies were not as experienced in soccer but were competitive in other sports, and very willing to give it a qo.

Our desire to join the Northern Sydney 5-Aside Competition meant that we needed 8 players to fill a team, and we sought out the assistance of a friend to come up with the team's logo and the uniforms were ordered. "Wii Not Fit" was officially established and, unbeknown to us, set to make an impression in our first season. During the 2011-2012 NSFC 5-Aside Competition we played consistently and competitively, and came away with wins in both competitions. Due to the enormous amount of fun we all had during the 2011-2012 round of competition Wii Not Fit was re-registered for the 2012-2013 season and will enjoy many more seasons together.

With competitions of this scale goes a heck of a lot of efforts and very hard work behind the scenes. A special mention of thanks, in no particular order is extended to:

- **Brian Binfield** (aka 'Uncle Brian' or 'Santa") Ground Manager, who also takes on the dual role of the 'smiling referee'.
- Andy Bayles Assistant Ground Manager, whose reputation as our seasoned BBQ chef is second to none.
- Ian Mackay fortnightly line marking.
- **David Howard** the engine room, always happy to be available to help sort out those nasty 'website glitches', often at short notice.
- Marcus Green maintained the website and ironed out those technical problems way beyond
 my comprehension.
- **Ku-ring-gai Council**, especially the groundsmen who often worked in closely with our own Ground Managers to ensure the grounds were always playable and in the best possible condition out of season.
- Ross Hendry set up the goals with 'Uncle Brian' often in stifling conditions in the middle of the day.
- Marcia Allman who was always happy to assist from the KDSA office (now NSFA).
- **John Ceccato** for your support at those crucial times, when it was most needed.
- Our Referees and Accredited 5aside Officials (AFOs) who collectively need to be thanked for your amazing efforts to ensure we covered 99% of our games across the season. Your efforts do not go unnoticed and you often bear the brunt of unwarranted criticism abuse all I can say is thank you, and keep up what you are doing so well.

On a final note, I would like also to thank all players and their team volunteers (some 300+) that make our community-oriented summer competitions the success they have become.

See you all next season.

Special Needs Football Report

10 Years of Achievement

This year marks the 10th year of the NSFA Special Needs Progam and a time to reflect on what has been achieved.

When it began, it was a first not only for NSFA but for Football NSW and the FFA. The proposal was initiated locally, like anything new, was greeted with a certain degree of caution. Described as a "Pilot Program" in the NSFA 2004 Annual Report, the potential was embraced and supported by both FNSW. The following year saw FNSW recognise a second centre at Sutherland, by the third year the single centre in NSFA had so many participants that it divided into two groups based on age establishing a third centre recognised by FNSW and a second in NSFA.

There are now 16 centres across NSW running under the banner "Football for All", two within NSFA located in St Ives and West Pymble.

Along the way our team including Paul Phelan, Shaun Cromie, Ross, Lindsay and Rob Fry have lead hundreds of children in activities that that others often take for granted. We have also been instrumental in developing a similar program for the summer through Hornsby/Kuringai/ Hills cricket called Blowfly Cricket.

Unfortunately, none of those who participated in the first year are still playing but with 4 players achieving 9 years, we are looking forward to having our first 10 year veteran next year.

2013

This year we ran a Saturday morning program at St Ives and a Sunday morning program at West Pymble. These players travel greater distance than mainstream players so we integrate training and game. Typically, the children will undertake modified training activity followed by a game.

The ages used to establish the two centres 8 years ago have long since blurred giving us the opportunity to introduce a range of integrated games and activities. Players were given the opportunity to participate in their own games and also visiting the other centre. The integrated approach allowed us to identify the most appropriate program for each child and better target and tailor the programs to meet the unique needs of each participant.

The integrated events were also an opportunity for our coaches, already amongst the most experienced in Australia, to come together and share ideas and techniques from each centre. The newer volunteers were given suggestions, positive support and mentoring from our older hands.

Having been involved since before the start, this is my 11th and final year of active involvement with the Special Needs program. It has been a fantastic and very rewarding experience and I am sure it will continue to innovate and grow from strength to strength.

PD & DC Report

Vice President Shield 2013 match officials.

Another busy year for the PD & DC team this year.

Firstly a big thank you to Edwina Robinson, Penny Howell, Jo Zafos, John Bradfield, Alan Clarke, Chris Hemming, Paul O'Donnell, Daniel Reiss and Chris Steptoe for all your time and efforts throughout the year.

This year saw us move to an electronic database with clubs having a greater ability to track and monitor cards and suspensions.

2013 also had its challenges for the PD&DC Committee as the following statistics show:

- Cautions overall increased by 15%
- Players receiving more than 4 cautions increased by 55%
- Send offs overall increased by 32% (2nd caution up by 57%)
- Number of Men's All Age players sent off increased by 34%
- Number of players in Men's Over aged completions sent off increased by an *alarming* 74%

These are all record high levels for the Association. I would remind clubs and players that football matches are for everyone's enjoyment and not a stress relief after a busy week. Players' attitudes and behaviours must change in 2014 as the above numbers are not what we expect in our Association

Player and coach development initiatives are key elements to growing player registrations in the Association as well as creating "footballers for life" out of existing players. The past year has been another successful one for development as we continue to build on the foundations laid in prior years.

Our coaching staff, headed by Technical Director Jason Eagar (A Licence) has been busy providing a range of development opportunities for players and coaches and I am very pleased to report on the progress made at both a Community Football and Elite Football level over the past twelve months.

Community Football

Coach Education

The following community coach education courses have been conducted over the period.

COACH COURSE	NUMBER OF COURSES	TOTAL PARTICIPANTS
Grassroots Certificate	8	227
Junior Licence	3	74
Youth Licence	2	38
Senior Licence	1	20
Goalkeeper Certificate	1	13
FNSW Coach Update	2	76
Total (over 12 months)	17	448

The Junior/Youth/Senior licence course content is being updated to more closely align with the National Curriculum. This includes name changes for the Junior Licence (to Skill Training Certificate) and Youth Licence (to Game Training Certificate). We expect to be able to offer these revised programs from November 2013 onwards.

Holiday Clinics

School holiday clinics run by our Northern Tigers coaching staff have continued to grow in popularity, once again demonstrating the demand that exists for coaching across all levels of player ability.

HOLIDAY PERIOD	LOCATION	TOTAL PLAYER REGISTRATIONS
October 12	Koola Park	51
January 13	Northbridge Oval	32
April 13	Koola Park	135
July 13	Koola Park	313

NSFA Football School

The Football School has now been operating for four consecutive terms on Monday and Friday nights. The Football School is a training program (including Goalkeeper specific training) that closely follows the National Curriculum for community players aged U6 to U14.

TERM 2013	TOTAL REGISTRATIONS	TERM 2012	TOTAL REGISTRATIONS
Term 1, 2013	60	Term 3, 2012	82
Term 2, 2013	71	Term 4, 2012	65
Term 3, 2013	69		

Regional League

NSFA has applied for a licence to enter teams in the Regional League competition. This competition is for boys aged U12, U13, U14 and U15. It is a representative team selected from players registered with NSFA clubs. These players will continue to play weekly with their Club team as well as participate in the Regional League competition. Regional League fills the gap between players not yet ready for Premier League 2 (PL2) football but who are amongst the best players in Club football. It provides these players with an additional challenge and a further development opportunity.

FFA National Curriculum

The 2nd edition of the curriculum was released in September 2013 and we will work with Member Clubs to assist with its rollout to community football in 2014.

Representative Football

NSFA Skill Acquisition Program (SAP)

The SAP program forms part of the FNSW official pathway for talented players and is available to U9, U10 and U11 boys and girls. Our inaugural year was a massive success with our players showing huge improvements in their skill level and understanding of the game. It has been an excellent example of what the combination of player commitment and quality coaching can produce.

Headed up by Steve Hurd (A Licence) the program involves two teams in each age group, almost 70 players in total. The NSFA teams played against other Association and Premier League Club teams across the year and finished the season with a gala day at FNSW headquarters, Valentine Park.

State Titles

A number of Northern Suburbs players were successful in being selected to compete in the State Titles as part of the U12, U13, U14 and U15 Metro Far North teams. These teams are drawn from players residing in the NSFA and Central Coast Football boundaries.

Two of our Northern Tigers coaches were appointed by FNSW as coaches for Metro Far North teams.

Northern Tigers FC

Items of note include:

- U12 boys team competing for the first time in 2013 (formerly U12s was part
 of the Skills Acquisition League and prior to that the Metro League).
- Our Youth team coaches all received excellent coach assessments by FNSW involving assessment of their performance at several training sessions and games through the year.
- Our teams played against NSFA Champion of Champion teams to help in their preparation for the Champion of Champions tournament.
- Our U12 boys team was selected to compete in the final of the VW Junior
 Masters tournament in October. Twenty teams from around Australia have
 been selected to compete with the winner advancing to the World Junior
 Masters in Rome in early 2014.
- An U13 player was selected to attend FNSW State Team trials.
- Two players (U18 and an U20 player) were selected to trial with the Central Coast Mariners National Youth League team.

Northern Tigers Football Report

With a focus on development and representing the 34 member clubs of the association we have provided players with the opportunity to make the step up from grassroots club football to NSW Elite competition.

2013 Season saw the Northern Tigers Men and Youth competing in the FNSW Elite 2 Division following the competition review at the end of the 2012 Season. The Girls and Women enjoyed their 1st year competing in Women's Elite 1 Competition.

Northern Tigers coaching philosophy is to "develop better players for tomorrow." It adopts and follows the FFA curriculum to prepare players through the *Skills Acquisition and Development Phase* to be ready for *Performance Football*.

Playing 176 games from March through to September from U12 to First Grade resulted in the Northern Tigers achieving the following:

Women and Girls in 2013

Experiencing their first year in Women's Premier League 1 was a step up for our Women and Girls Program. Our girls U12, U14 & U16 were competitive with our Reserve and First Grade coming up against some very stiff opposition.

GRADE	PLAYED	POSITION	POINTS
U12G	24	6	40
U14G	24	6	40
U16G	24	6	38
Reserves	22	11	8
First Grade	22	11	4

Football Development

With 2 'A' Licence, 6 'B' Licence and 2 'C' licence Coaches the focus has been on development of players. In 2013 Northern Tigers was recognised by FNSW assessors to be following the FFA National curriculum in achieving an average of 90% assessment throughout the season. A number of the Northern Tigers Coaches conducted Coaching at the NSFA Football School as well as conducting Coach education.

Northern Tigers U12 were successful in being selected to compete in the Volkswagen Junior Masters Competition, one of 20 junior teams selected in Australia. At the time of writing this report they will be representing the Northern Suburbs Football Association in the Australian group of the Global competition. If successful they will go on to play against 19 other teams from around the globe in Europe later this year. There selection is testiment to the quality and attractiveness of the Football played at Northern Tigers.

The 2014 season bodes well for Northern Tigers, building on the strong foundations laid in 2013 retaining a number of our existing Coaches and attracting 2 new Coaches to our Youth Program. Our Women's and Girls' program will benefit from having a new 'A' licenced Head Coach, with a track record of Coaching Women's elite Football at the highest level. He will be supported by Sharon Dewar who will be the Tigers Women's League Manager. Sharon who herself holds a C Licence, was also a Matilda having represented her country in 10 appearances.

Off the Field

During 2013 Northern Tigers supported the community both in Australia and overseas by providing unwanted kit to Aboriginal communities in the Northern Territory and collecting more than 150 pairs of boots as part of the Boots for Africa campaign.

As the representative arm of the Northern Suburbs Football Association the new Northern Tigers Committee has in 2013 worked hard to reduce the cost of running a Representative teams, reducing by 34% the contribution from Member Clubs from the level of 2012 and coming 17% under budget in 2013. In 2014 the contribution from Member Clubs to Northern Tigers will be more than half the level of funding provided in 2012.

From all the Players, Coaches and Volunteers involved in the Northern Tigers we would like to thank the member Clubs for their continued support. Their recognition that having a Representative arm to the Association is an important pathway for football development, which helps ensure continued playing membership against stiff competition from other codes.

Special Projects Manager's Report

Presentation of a grant cheque (\$27,250) to Northern Suburbs Football Association from Matt Kean MP, for the upgrade of lights at Berowra Oval.

Warrimoo club house opened on the 6 September 2013 by Ku-ring-qai Council.

(above): The new upgrade of Eton Road (UTS).

Allan Small Oval, Saiala Road, East Killara

Ku-ring-gai Council has closed this location for the work underneath the playing surface. Ku-ring-gai Council advises that the aim is to have the playing surface available for competition matches during April, 2014.

Anderson Park Oval, Neutral Bay

\$800,000 has been budgeted by North Sydney Council to upgrade the change rooms and the amenities building during the 2013/2014.

Barra Brui Oval, St Ives

Ku-ring-gai Council aims to encourage rugby union to move from this location before winter 2014 to Lofberg Oval, another home for rugby union.

Blackman Park Ovals, Lane Cove

Lane Cove Council in the 2013/2014 capital expenditure budget has allocated \$300,000 for an all weather playing fields report. Lane Cove Council has also allocated an extra \$2,000,000 for a new amenities building plus an all weather playing surface on the No 1 and No 2 ovals.

Burns Bay Ovals, Lane Cove

Listed by Lane Cove Council to receive an allocation of \$50,000 to "improvements" (no details provided).

Cammeray Park Oval, Cammeray

North Sydney Council has determined that any synthetic surface at Cammeray Park Oval is to be "multi — purpose". Currently a DA is before North Sydney Council to consider an artificial surface and upgraded floodlighting. Unfunded capital works shows an amount of \$1,360,000 for synthetic sports field construction and upgrades to the lighting.

Castle Cove Ovals, Castle Cove

The master plan suggests that floodlighting for night training is a possibility on No 2 oval.

Chatswood High School Oval, Chatswood

The NSW Education Department and Willoughby City Council are "in discussions" for this to be another artificial surface.

Eton Road Oval, Lindfield (previously UTS Oval)

Defence Housing Australia is currently paying for the installation of an artificial surface with "all systems go" to achieve a December, 2013 opening. The 200 LUX floodlighting is a separate project managed by Kuring-gai Council assisted by the donation of \$100,000 by NSFA.

Foxglove Ovals, Mt Colah

Scheduled by Hornsby Shire Council as per the delivery program for 2014/2015 to receive an upgrade to the floodlighting system.

Friars Oval, Pymble

Toilets at Friars are not in the Ku-ring-gai Council budget

Golden Jubilee

No 2 oval, Wahroonga capital works are almost complete to the playing purface with some floodlighting but limited to two (2) towers.

Greville Street Park Oval, Chatswood West

Willoughby City Council priority improvement program (PIP) for 2013/2014 has scheduled \$35,000 for Irrigation.

Howson Oval, Turramurra South

Ku-ring-gai Council capital works program for 2015/2016 has scheduled \$ 441,000 for a sports field upgrade.

Kent Oval, Turramurra

Ku-ring-gai Council has scheduled \$24,000 for a report of a possible sports field upgrade. Upgrade to the playing surface and installation of floodlights estimated at \$478,000 is scheduled for 2016/2017.

Koola No 1, No 2, No 3 and No 4, East Killara

Reconstruction into four (4) sports fields at \$1,745,900. These Ovals will not available for the 2014 winter season and may well be closed for reconstruction until April, 2016.

Lofberg Oval, West Pymble

Ku-ring-gai council staff advise that this location is "lost to soccer football" as two (2) Rugby Union Clubs are to enjoy the use of this Oval.

Montview Ovals, Hornsby Heights

Scheduled to receive an upgrade to the irrigation system and the drainage but requires funding as does the floodlighting.

Mowbray School Oval, Chatswood West

Advice has been heard that the Education Department and Willoughby City Council will continue to maintain the playing surface especially in view of the anticipated increase in the number of residents directly opposite.

Norman Griffiths Oval, West Pymble

Ku-ring-gai Council has scheduled \$35,000 for a report on a possible sports field upgrade.

North Turramurra Recreation Area (NTRA) No 1, No 2 and No 3 ovals

Work continues to spend \$5,710,000 currently and then \$5,932,000 in 2014/2015 with no specific budget for 2015/2016 as yet to complete this Project.

Parklands Oval, Mt Colah

An upgrade to the floodlighting and fencing is listed by Hornsby Shire Council but requires funding.

Primrose No.1 and No 2 ovals, Cremorne

The availability of these Ovals is subject to the weather as they need an upgrade. Primrose No 3 oval, Cremorne a "multi use" synthetic surface for both hockey and football is just a proposal.

Primula Oval, Lindfield

Ku-ring-gai Council capital works program for 2016/2017 has scheduled \$25,000 for an investigation and report of a possible sports field upgrade.

Queen Elizabeth Oval, Lindfield West

Ku-ring-gai Council always closely review this playing surface due to the ongoing problems of "dogs off leash" and this dry surface.

Roseville Park Oval, Roseville

Continues to provide a venue for competition games, but without lighting for night training.

Sacred Heart, Pymble School Oval

This playing surface is heavily used and it may be suitable for an artificial surface, subject to the consent of the Bishop.

Samuel King Oval, North Turramurra

Ku-ring-gai Council capital works program suggests an upgrade to the floodlighting, fencing and wicket of \$325,000.

St Ives Showground Main Arena, Mona Vale Road, St Ives

Ku-ring-gai Council has scheduled \$25,000 for an investigation of a possible sports field upgrade. Essentially a showground available to the circus, equestrian events, the Annual Show and community activities. Football is just one more activity that hires these two ovals.

St Ives Showground Nursery Site, Mona Vale Road, St Ives

Ku-ring-gai Council has scheduled \$10,706,000 for an indoor sports and two (2) outdoor "multi use" fields.

Thomson Park Ovals, Artarmon

Willoughby City Council has scheduled \$150,000 for an upgrade/replacement of the floodlight system.

Tunks Park Ovals, Cammeray

\$140,000 has been budgeted by North Sydney Council for leveling and drainage work and an amount of \$50,000 to prepare a DA for field lighting — plus \$800,000 for an upgrade to the amenities block.

Turramurra Oval, Turramurra

As a "shared oval" by football with rugby union and Pacific Athletics Club this oval is heavily used for training.

Warrimoo Oval, St Ives

Ku-ring-gai Council has scheduled \$35,000 for a possible sports field upgrade, but no specific date.

Warrina Street, Small Oval

Scheduled to receive an upgrade to the playing surface.

Waverton Oval, Waverton

North Sydney Council has projected an upgrade to the drainage and the surface levels to cost \$160,000 plus an upgrade to the floodlighting to cost \$100,000 and "new change rooms" to cost \$760,000.

Thank you to all five (5) Local Councils and the Schools for the use of their Ovals.

Gala Day Report

Gala Day within the NSFA has always had a special atmosphere

In 2013, Under 6 to Under 18 players started from very early on Saturday morning to play their pool matches and then to hopefully make their way to the Finals venues in the North and South of the NSFA. Hornsby Heights Football Club hosted Montview Oval for finals in the North on Saturday and Sunday and the Lane Cove Football Club hosted Blackman Oval for the Finals in the South on Saturday.

Both Clubs provided BBQ and Canteens for the hungry participants and supporters. They supplied sausages, steak, eggs and bacon and I am sure everyone went away thinking that was the best BBQ they have ever tasted!

The aim of Gala Day is to provide players, especially Under 6 to Under 9 SSF, the opportunity to play the wonderful game of Football on grounds and against clubs they have not encountered during the normal season.

Management and Staff of NSFA arrive early each morning to ensure the set up is correct and that everyone and everything is ready for this very important day. As people start to arrive you can see the anticipation on the players' faces, eager to get started with their pools and to enjoy everything the day has to offer. Parents, grandparents, siblings and friends converge on Montview Oval at Hornsby Heights and Blackman Oval at Lane Cove, for the end of year Gala Day. During the day a constant stream of supporters file through the grounds and support not only the players but their Club.

The view looking out over the fields is fantastic; the day this year started a little cool with very heavy dew, but ended up being magic and a really sunny, hot day. The excitement of the players enjoying their game with their team mates is a sight to see.

This year we were sponsored by ME bank who donated \$1,000 to your Gala Day. There were many photos taken with the big blue ball, and players joined in the ME game, with shots being kicked through the goals watched by former Socceroos Paul Okon at Montview Oval and Ante Milicic at Blackman Oval. Central Coast Mariners came along to talk to the players and signed autographs. Thank you to Mariners for their support. Nudie Juice gave away samples of juice and provided the chance for players to see how fast they could pedal on the stationary bikes. I am sure everyone enjoyed the variety at Gala Day this year.

A very big thankyou to "Football United" and Florian Birouste and his team, for coming along to give skills training to our young players. Football United came along to gain support for their initiative '1 Million Keep Ups'. If you would like more information on this worthy cause contact the NSFA office. Thank you to Lindfield for giving Gala Day at Regimental Oval a great atmosphere. The Club provided a jumping castle, BBQ and many other attractions for all who attended.

Girls' Gala Day on Sunday was a sea of Pink. Donations were made through the Cancer Council with \$495.00 being raised. Not only did the players turn out with pink hair, socks, face paint and the list goes on, you could see families including pets arrive dressed up as well, to make Sunday a very special day. Many VIP guests from the State Government and local councils, as well as NSFA Life Members, came along to assist in presenting the medals and Perpetual Trophies to the winners and runners up. Many thanks to Mr Jonathan O'Dea MP and Mr Matt Kean MP, Mayor Steve Russell (HSC), Mayor Elaine Malicki (KMC), Deputy Mayor Stuart Coppock (WCC), Councillor Karola Brent (LCC), Councillor Stephen Barbour (NSC), Councillor Wendy Norton (WCC), Mr Chris Rayner (NSFA Life Member), Mr Roy Ashpole (NSFA Life Member), Mr Philip Bradfield (NSFA Life Member), and Mr Bill McKay (NSFA Life Member) for setting aside the time to support our players.

Women's Gala Day was held on the 18 August. WAA and WO35 Gala Day Finals and Presentations were held at Blackman Oval with the theme of the day being "Think Pink" in support of Breast Cancer Awareness.

Group 1 Winners: Lindfield B, Runners Up: Mt Colah • Group 2 Winners: Northbridge, Runners Up: Lindfield W035 Group 1 Winners: St Ives, Runners Up: Prouille • W35 Group 2 Winners: Rangers, Runners Up: Lindfield. Thank you to Central Coast Mariners who came along to support Gala day, and all the family and friends who supported the Women.

A huge 'Thankyou' to the referees who volunteered to assist on Gala Days, refereeing not just one game each, but many. And to those who worked tirelessly, NSFA extends a big "Thank you"; without your efforts the Gala Days would not be the wonderful event we all enjoy each year.

A Short History

Bannockburn Rovers Soccer Club is one of the Clubs no longer in existence within NSFA, having merged with Clarke Road.

1980s Wahroonga Team.

Winners Treasurer's Shield in 1993 North Sydney Artarmon.

The Gala Day March Past.

In 2013 there were 34 affiliated member clubs in NSFA as well as teams from Gladesville Ravens and NSFA Tigers.

However, over the 57 season history of the KDSA/NSFA there have been over 100 other clubs which have competed in our competitions. Some of these are the result of name changes, mergers and breakaways and there are also a number of "guest" clubs from neighbouring associations but many are clubs which have sadly disappeared altogether.

In 1972 KDSA and Northern Suburbs Soccer Associations agreed to merge for the 1973 season. At the time KDSA had 25 clubs and after the merger that had grown to 41. Current clubs Chatswood Rangers, Northbridge, Lane Cove, Lane Cove West, St Michael's, Sacred Heart Mosman (Collegians) and Greenwich were part of that intake. At its height there were 47 clubs competing in KDSA competitions in 1981 and 1982.

Some of the better known clubs to have come and gone over the years were Mt Kuring-gai, St Leo's College, North Shore Hellas, Chase United, Hornsby FC and Christian Football Club. In the early days many schools and church groups entered teams. Apart from current schools others such as St Aloysius, St Pius, Cranbrook, St Andrews, Barker College, Knox Prep College, Abbotsleigh and Loreto Kirribilli have participated and church groups such as Asquith Church of Christ, Hornsby Baptist, Turramurra Methodist and Willoughby Methodists have also entered teams.

One of the more interesting clubs to have played in KDSA was Bradfield Britannia. Made up of English migrants from the hostels at Lindfield (on the current site of Queen Elizabeth reserve), they existed from 1959 until 1970. They enjoyed some modest success in junior boy's competitions and they were the inaugural Men's All Age champions in 1961, winning again the following year.

Finally here are some clubs you have probably never heard of who participated briefly in KDSA competitions:

Duffield

Grace Bros.

CBC Bank

Bradypus (Sloths)

Hornsby Hawkes

Salisbury Bobcats

Milson Island Wanderers

A.C.Y.A.

North Shore Azurri

MSC United

Masis

Vikings

Rustic Rangers

Cremorne

Naremburn United
