*Chris Rayner*

It's with great pleasure I write to you after another successful season. We are now well into our 2014-16 Strategic plan and I feel NSFA is listening, growing and providing the opportunities for all participants to maximise enjoyment and success in football.

Firstly I would like to thank the NSFA Board and office staff for all their hard work in making this season a success.

2015 saw the addition of additional synthetic facilities at Blackman and Cammeray and with the Thompson Park recently completed and ready to go for 2016, we can minimise wash outs and have additional grounds for night make up games reducing the amount of Saturday/Sunday backups and providing everyone an opportunity to play on high quality fields.

I am very proud of the progress of the Northern Tigers as we continue to see great quality results and player development from grassroots to the Premier league Competitions, our on field success saw Minor Premierships to the Girls U/17 and Boys U/15 and Grand Final wins to Men's 1st grade, Boys U/15 and Girls U/13.

The appointment of a Women's Development Officer will see us continue to grow girls and women's football in the area and it is extremely exciting to see the further growth and development we can assist with. We also saw our first all-girls knock out competition with the final included in the NSFA Cup final day, along with an all-girls referee team officiating on the day. The day was a great success and congratulations to all sides competing on the day.

I would like to thank our CEO Duncan Tweed who is moving onto a new challenge for his hard work and commitment to the Association over the past 2 seasons.

In closing I would like to thank all volunteers that contribute to our association, whether they are committee members, coaches, managers or canteen operators. Volunteers are a key component to ensuring our ongoing success.

**Chris Rayner**

*NSFA President*

### Cup & Shield Winners

EVENT	WINNERS
NSFA Cup:	Chatswood Rangers FC
Rick Close Cup:	West Pymble FC
President's Shield:	Lindfield FC
Vice President's Shield:	Mount Colah FC
Treasurer's Shield:	Lindfield FC
Fair Play Trophy:	<b>PREMIER LEAGUE</b> Kissing Point FC <b>DIVISION 2</b> Wahroonga FC
Club Championship:	Prouille FC

*Duncan Tweed*

2015 will go down as a great year for Northern Suburbs Football Association. We welcomed 16,298 players for our Winter competitions (a new record), introduced a new summer 6-a-side venue at Lane Cove, held a successful inaugural Under 6 Welcome to Football Day, pioneered a girls' football tour to Japan, awarded our first coaching scholarships, helped promote a Special Needs Participation Expo, conducted our first Association wide facilities survey, expanded the Football School and hosted a girls' football strategic workshop, amongst other things. To top the season off (after a horror 2014 for weather) we were even greeted with glorious sunshine for the annual Gala Days.

The Association's mission is to help our community experience the joy of football. To keep true to this vision it is important that we include everyone possible in our journey. Accordingly it's pleasing to see our Association actively involved across the entire spectrum of society. The Under 6 Welcome to Football Day was a great success while at the other end of the player pool, so was the Over 60s match played in September. For futsal players, we have strengthened ties with Phoenix Futsal with a view to making this program an integral part of NSFA football.

As an Association, we were overwhelmed with the more than \$4,000 which was donated by players to contribute to Special Needs programs within the Association – these donations funded a Sports Participation Expo that benefited kids throughout Sydney.

NSFA also prides itself on being a leader in the development of female football. In its second year the Diamond League continued to blaze a trail. In the Under 12 Girls State Cup, five NSFA teams made the quarter finals and the division was eventually won by Northbridge FC, which defeated Hornsby Heights FC in the final. Diamond League will expand to include U14 as well as U12 and U11 in 2016. To continue this commitment to advancing female football, NSFA recently appointed Rani Cavarretta as its Women's Development Officer. This is not only a first for NSFA it is also ground breaking amongst community football in New South Wales.

This prioritisation of girls football is one of the reasons that Girls' MiniRoos numbers were up by more than 30% this season and a recent workshop was held involving invitees from FFA and FNSW to put in place some plans to help continue this momentum.

One of the Association's biggest priorities remains in increasing the engagement levels of the NSFA community. This doesn't refer only to NSFA's communications with Member Clubs, but also with individual players and parents and indeed the broader community. It is pleasing to see.

On the Club front, In 2015 this 'engagement' piece has centred around each Club preparing Volunteer Management Plans. We are all aware that volunteers are harder and harder to find, so it is imperative that we assist Clubs to recruit, train, retain and reward volunteers.

This needs to be an ongoing process and the Association's Club Development Officer will continue to provide assistance to Clubs seeking to improve in this area. Next season the focus will be on the Clubs' Facilities Improvement Plans; ensuring that every Club has strategies in place to engage with the right stakeholders and to improve the grounds they play on.

Financially, the 2015 year has been another strong one. While the accounts are yet to be finally audited, it is expected that NSFA will be around \$80,000 ahead of its budget for the financial year. Importantly, this financial performance is not driven by disproportionate increases for registration fees. In spite of the fact that ground hire costs continue to rise (especially with more synthetic pitches coming online), the increase to team registration fees this year was the lowest percentage in more than five years.

Improved financial performance has come from increases in non-team related revenue, a reduction in office costs, growth in Coaching and Development programs, continued financial discipline within Northern Tigers FC, lower Football NSW costs and strong 6-a-side results.

The strong result for this Financial Year allows the Association to invest in initiatives such as:

- NSFA absorbing the costs of community coaching so that Grassroots, Skill Acquisition, Game Training, Senior, Goalkeeping and Futsal licences will be free for NSFA coaches in 2016
- Two coaching scholarships for local coaches to undertake C Licences
- Subsidising accommodation for NSFA teams competing in Champion of Champions in regional centres
- Travel assistance for players selected to compete at the National Youth Championships

As a not-for-profit enterprise, NSFA does not seek to make profit for its own sake, however it is pleasing that improved management and a growing business does allow the Association to invest in different ways of improving football within our community.

In closing, this has been my last season as CEO of Northern Suburbs Football Association. By most measures the Association has never been stronger and I am certain that the Board and the incoming CEO will continue to make NSFA one of the leading sporting associations in Australia.

It has been a fantastic few seasons and I am incredibly grateful for the opportunities that I received here and the people with whom I have had the opportunity to collaborate. In particular, I would like to thank the NSFA office staff, who consistently go the extra mile to deliver a better experience for Members. Similarly, within every Club are volunteers who give up their free time to help others to enjoy the game. These people embody the vision of the Association, to help our community experience the joy of football, and we are lucky to have them.

**Duncan Tweed**  
*Chief Executive Officer*

*Introducing Rani Cavaretta . . .  
Rani is the NSFA Women's  
Development Officer.*

*Paul Orgad*

NSFA has continued with the implementation of one of its strategic priorities – the increased ability of Clubs to better service their members by raising standards of governance and Club management. It was resolved by the Board of Directors that each Club submit a Volunteer Management Plan, or VMP. The process required Clubs to assess and reflect on the procedures currently in place for recruiting, orientating, training and rewarding their volunteers. Volunteers are the life blood of community sport and NSFA recognised that without a strong system in place whereby volunteers felt supported and appreciated, we were on borrowed time. Clubs were issued with a template VMP and general facts and information on volunteers and were asked to include ideas and strategies to improve systems relevant to their size and capacity. Overall the standard was exceptional and many Clubs expressed their satisfaction in participating in this process with many believing their ability to recruit and manage volunteers will improve as a result.

The other initiative NSFA will be implementing is submission of a Facilities Improvement Plan. Originally required in 2015, the FIP has been postponed until 2016 with the focus on completion of high quality VMP's taking priority. As mentioned on many occasions facilities continues to be a major concern and NSFA will be assisting Member Clubs get on the front foot to achieve better outcomes. Clubs will be encouraged to understand how upgrades such as Montview, Norman Griffiths and others were achieved and how they can go about doing something similar. Clubs will take more initiative in helping NSFA lobby with Council, complete funding applications and fundraise with greater efficiency.

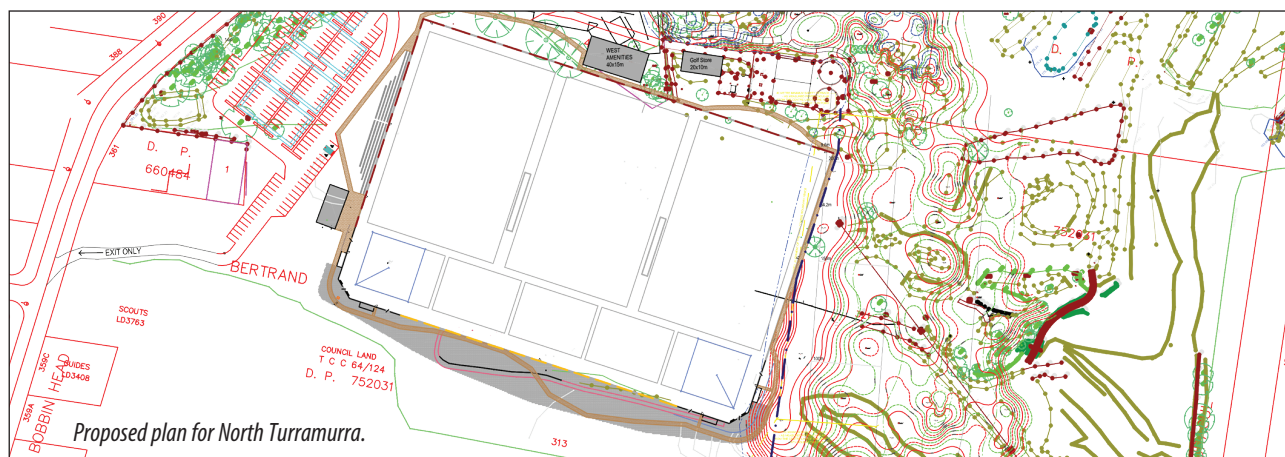

NSFA members again participated in the annual Club Satisfaction survey with over 1000 responses received. Information gathered from the survey is compared to previous years and recommendations made based on findings. Information is then presented to Member Clubs to assist with their own attempts to better the playing experience for their members.

It's worthwhile confirming that NSFA is committed to assisting Clubs achieve Level 2 in the National Club Accreditation Scheme and I urge you to contact me if you'd like to do so.

I'd like to thank the Clubs for their support and involvement in these endeavours.

**Paul Orgad**

*NSFA Club Development Officer*

*Proposed plan for North Turramurra.*

2015 has been a productive year for facilities within NSFA. Projects which had commenced in 2014 are now finalised and many more have begun. Major upgrades and developments to facilities include the addition of 3 synthetic fields from 2014 which represents unprecedented access to first class community facilities. I refer specifically to **Cammeray Oval** and **Blackman Park** – the latter of which includes 2 full sized synthetic fields. To put things in perspective, our neighbours in GHFA currently have access to no synthetic fields for its winter competitions. Our newest synthetic venues played host to U10/U11 matches this season, meaning our MiniRoos players experienced the benefits and enjoyment of playing on synthetic grass for the first time. I can confirm that **Thomson Park** in Artarmon has been completed and despite the dimensions not being conducive to senior football, it presents us with an amazing venue for training and junior mixed and girls/women's matches. Given its previous condition and the number of registered players in the Willoughby LGA, we are very lucky to make use of this venue in 2016 and beyond.

Another project which was completed this year is **Foxglove Oval** in Mount Colah which received an upgrade to the floodlights, enabling a better training experience and night matches to be played. Also receiving an injection of light was **Castle Cove Oval**.

For the first time this venue has the capacity to host night training and will result in local Clubs easing the load on high usage grounds in that area, namely Chatswood High School and Willoughby Park. Willoughby Council have also commenced works to demolish and rebuild the change rooms and amenities at Willoughby Park. Works are scheduled to be completed towards the end of the 2016 season.

Almost 12 months ago to the day I submitted a funding application on behalf of the Association and Greenwich SC for the upgrade of **Bob Campbell Oval** in Greenwich. Due to the works being conducted at Blackman Oval in the 2014 season, Bob Campbell received higher traffic than usual and was left in a terrible state this time last year.

In February 2015 NSFA received confirmation that we were successful in obtaining a \$25,000 grant from the NSW Office of Sport and Facility Program. Council staff have started with work to improve the level of the playing field by laser levelling and adding incremental amounts of soil over time, rather than in one go. Furthermore, the quantity of grass during the winter months will increase as Council trials oversewing the field with rye grass – the same done at high end stadia such as Allianz Stadium. We hope to see a much improved venue in 2016. NSFA is continually working with its member Clubs to receive external funding so please contact [facilities@nsfa.asn.au](mailto:facilities@nsfa.asn.au) if you have a project in mind.

Further North, **Montview Oval** was open for play following a renovation last summer which included an upgrade to the drainage, installation of irrigation, surface levelling and laying of new grass across the whole area.

From all reports Montview handled its first season extremely well and is now one of the best natural surfaces in the Association. Also receiving an upgrade was **Kent Oval** in Turramurra. Whilst all works were done 'off the field' with upgrades to the car park and amenities, it presents a step in the right direction and NSFA hope to find ways to compliment recent 'off field' developments with upgrades to the playing surface in the future.

At **North Turramurra Recreation Area (NTRA)** earthworks have been completed and Council is in the process of finalising contractors for the installation of the synthetic field as well as the two natural grass fields. It is expected that NSFA will have access to these fields for the 2016 season with Northern Tigers looking to utilise the synthetic field as a home ground for their Football NSW competition matches. As a result of their pending move other grounds within the Association will be made available to member Clubs for training and matches, including Mills Park.

*The new facilities nearing completion at Blackman Park.*

*The synthetic playing surface at Cammeray Oval.*

Looking ahead – North Sydney Council is currently reviewing a Development Application for installation of synthetic turf at **Anderson Park**. Should the DA be approved, works could commence as early as March 2016 with the field being available to NSFA the following winter. After many years of promises regarding Koola Oval, Killara, NSFA can confirm that works have commenced on levelling and re-turfing the whole site, installing irrigation and creating an additional playing field. The pavilion will also receive a minor makeover to improve accessibility and internal configuration. At completion football will have access to 2 dedicated fields with a further dual purpose field (football/rugby).

Another project underway is **Howson Oval** in Turrumurra. It will also be receiving an upgrade to the playing area with drainage and levelling to take place. We expect both locations to be online sometime during the latter half of the 2016 season.

As mentioned last year, access to 60m x 40m fields continues to be an issue although the addition of Thomson Park can assist in that regard. We continue to apply and lobby for increased access to sporting facilities and better facilities so it's important that we work collectively to achieve this.

**Paul Orgad**  
*Facilities Officer*

The 2015 Season at Northern Suburbs Football Association saw a record number of 9,847 Junior Mixed players (Mixed U6 to U18), another 2% increase on 2014 record number of players. This represents 60% of the Association's players. This record number follows a successful AFC Asian Cup being held in Australia earlier in the year.

The Association had 1,600 registered volunteers that ensured the Junior Mixed teams were organised at the beginning and every match during the season. Without the Junior Football Committee members, Club Committee members, Age Convenors, Team Coaches and Managers, the close to 10,000 children would be without the sport they love so dearly.

Of the 1,600 volunteers, 15% took on two or more registered roles. To lessen their work load on the few, I encourage more parents to get involved and enjoy the sense of satisfaction and community that volunteering gives you. A worthy starting point is to attend a free 2.5 hour Grassroot course. This small investment in time demonstrates how easy it is to get involved in the game, whether it is coaching, managing, being a game leader, referee or an encouraging spectator.

I would also like to recognise the tireless and diligent work of the NSFA Office, without the super human efforts of Damian Miles, Marcia Allman and Jodi Sparks, we would not be able to enjoy more than 500 Junior Mixed Football matches each and every weekend during the season.

This year we finally had our inaugural Under 6 "Welcome to Football" Fun Day. We had 63 teams playing in 17 pools as an introduction to Football. While the children waited for the next pool game there was lots of fun activities to keep them amused. We utilised the results from these pools to assist with the grading of the teams so that their first round of Football was as even as possible.

The Under 12s are another challenging age group to get the competition as even as possible. We ran two weeks of trials at the beginning of the season to help with the creation of the Under 12 Divisions. This process reduced the need for divisional changes throughout the season.

Due to historical dwindling player numbers in the Under 13 and Under 18 age groups we proposed and prepared U13 and U17 competitions to be played on a Sunday morning. Unfortunately, we did not get enough nominated teams to form these competitions in 2015.

We are currently preparing awareness campaigns to inform more people involved in the process of forming teams in these specific age groups that these Sunday based competitions will be available during the 2016 season.

Football Federation of Australia (FFA) introduced MiniRoos during 2015, a noncompetition system for Under 6 to Under 11 Junior Football. There was very little difference to the SSF Football we have been playing in NSFA for over 5 years.

To be honest, FAA has not made junior football non-competitive. Football is a competition, a battle between two teams to see who wins over the period of time the game goes on for, whether you are 6 or 60, the game is still about seeing if my team can beat your team.

Non-competitive implies everything is a friendly, like the game doesn't matter. That's simply not the case. All games matter to the kids, for some adults it matters too much and therein lays a lot of the problems.

What MiniRoos is doing is making flexible competition with a focus on skills development, where children can still experience the importance of winning and losing, still feel the highs, the lows, the exhilaration and depression that all get associated with the game we know and love.

However, this is about making sure that they experience a children's approach to competition, not an adult's approach. I would like to call MiniRoos a child-centred competition system.

I'd like to thank Jane Hall in publishing the informative NSFA Weekly Newsletter. It was great to see the MiniRoos Fast Facts being presented in an informative manner. More in depth details about MiniRoos can be found at [www.miniroos.com.au](http://www.miniroos.com.au)

This prompts me to bring up our code of conduct. We all have a responsibility to promote high standards of behaviour in the game. Players, Coaches, Managers, Parents and Carers have a responsibility to act in a positive manner. This includes being a role model and encouraging good behaviour in not only yourself, or your own child but also their team mates, coach, manager and other spectators. Supporting your child and their team is natural, but it needs to be done in a positive and supportive way in a harassment-free environment.

I would like to thank the 2015 Junior Football Committee (JFC) members for their devotion in applying their depth of experience in overseeing Junior MiniRoos and Youth Competition Football of the Association;

**Michael Trinder/Hernan Reyes** (Prouille)  
U6/7 Age Convenor

**Sean Sweeney** (West Pymble)  
U8/9 Age Convenor

**Martin Dickey** (Northbridge)  
U10/11 Age Convenor

**Christine Freer** (Mount Colah)  
U12 Age Convenor

**Matthew Wall** (Hornsby RSL)  
U13 Age Convenor

**Tony Kalogerou** (North Sydney)  
U14 Age Convenor

**Glen War** (Lindfield)  
U15 Age Convenor

**Barry Thompson** (Mount Colah)  
U16 Age Convenor

**Miles Townend** (Kissing Point)  
U18 Age Convenor

**Tass Meli** (Berowra)

If you are passionate about Junior and Youth Football, we would love to hear from any volunteers to assist with the Committee in 2016.

Whilst we await the 2016 Season, to keep the Football blood pumping through our veins, I would also like to encourage players and their families to attend as many A-League and W-League games as they can. We are spoilt in Sydney having so many quality teams – Sydney FC, Western Sydney Wanderers and Central Coast Mariners at our doorstep. Visit [www.a-league.com.au](http://www.a-league.com.au) and [www.w-league.com.au](http://www.w-league.com.au) for more details.

Look forward to seeing you out on the football field in 2016.

**Barry Thompson**  
*Director & Chair – Junior Football Committee*

Firstly I would like to sincerely thank the members of the Men's Football Committee: Adam Vlatko (PL), Brian Norton (MAA2), Frank Hammersley (MAA3), Roy Ashpole (MAA4), Chris Goldrick (MAA5), John Humphreys (MAA6), Nigel Lazarus (M352), Ian Plant (M353), Mark Bryant (M354), Clive Solari (M451), Richard Lyon (M452), Tony Batten and Andrew Cummins. This team together with Damian Miles structure and manage all things related to the MFC Competitions.

I would especially like to thank Brian Norton, Roy Ashpole, Mark Bryant and Richard Lyon who for many years have provided enormous input into the MFC and have improved it every year. They all retire from their positions this year under my rotation policy.

I would also like to thank the NSFA Office, Team Mangers, Clubs and Players for their great contributions.

We meet at least monthly during the pre-season and season to ensure that all competitions are well structured. During the season we meet to deal with scheduling matters (mostly rain but can be other matters) and to adjudicate on issues. Most notably in 2015 this included player eligibility, disposition of abandoned matches and to discuss changes to regulations and structure of the competitions.

In 2015 we were seriously affected by bad weather and the resultant ground closures. We instigated a midweek make up program that ran across most grounds with sufficient lighting. This saw nearly 100 fixtures held across the various competitions. Unfortunately this was insufficient to catch up all games in time to hold finals series in some divisions.

MFC is always looking for fresh ideas and faces, should you be interested in joining the committee please contact me on [nsfamenschair@gmail.com](mailto:nsfamenschair@gmail.com).

### End of Season Age Group Discussions

At the end of the season MFC held meetings to allow all teams in the MFC Competition to discuss the present structure and possible changes for future years. These were very productive discussions and helped MFC understand the opinions at the grassroots.

**1. Player Numbers** – Although overall player numbers increased by 1% to 3,912 this was lower than observed across FNSW. It was also interesting to note that M35 competition grew 7%, M45 declined 5% and MAA remained flat. Also of interest is that approximately half of the clubs involved in MFC Competition declined in player numbers whilst the other half grew. Furthermore half of the clubs involved had 100+ players of which 9 grew from 2014.

**2. Grounds** – To allow all MFC fixtures to be played on Saturday afternoon we would need – 60 grounds. In 2015 we had (at best) 56 available. So we continued the policy of Sunday rotation for all divisions apart from PL, MAA2 & MAA3. We have now been advised that NTRA facility will not be available until the middle of 2016 season so this policy is most likely to stay in place.

**3. Player Age Profile** – MFC investigated whether the structure of our over age competitions was creating a “blockage” for players to move up to a higher age group should they so desire. The registration data shows that 34% of players in the M35 competition are over 45. The MFC are therefore considering a move to team divisions in M353/4 and M45 to enable an easier movement between the age groups. To confirm that football is a lifetime sport we have 65 year olds playing in MAA, 68 year olds playing in M35 and 72 year olds playing in M45.

**4. Promotion & Relegation** – MFC have long held the view that 2 up/2 down is the correct model for promotion and relegation. However this has generated some issues, especially between the highest division and the second division. Many promoted clubs from division 2 have struggled in the higher division and have usually been relegated after one year. MFC are looking at approaches to assist this including having a 1 up/1 down policy between the highest divisions.

**5. Available Weekends** – 2015 was a unique year due to Easter being within the season and Anzac Day falling on a Saturday. This produced a situation where there were only 21 weekends available. In a ten team competition, 18 weekends are necessary for a full competition.

This left 3 weekends spare (2 usually used for finals and one for rain). As you know we lost 4 weekends to rain and hence the loss of finals and the need for midweek fixtures. In the main however we did manage to avoid back to back fixtures other than cup matches. In 2016 the calendar is more favourable.

**6. Midweek Fixtures** – MFC arrange in excess of 100 midweek fixtures in 2015. Great thanks go to all clubs that agreed to rearrange their training to allow this to take place. Most notably North Sydney United (and their president Simon Cox) who managed to provide approximately 25% of this capacity.

**7. Saturday Evening Fixtures** – Another exciting innovation in 2015 was to play matches on Saturday evenings. We held approximately 100 matches at this time in 2015 across 5 of our grounds. We hope to expand this to more grounds in 2016.

**8. Alternative Formats** – In 2016 we will be offering a Sunday morning 6-a-side competition for M35 and M45. This has been a request made by a number of players and clubs and we hope it will be a great success.

**9. Referees** – This is always a touchy subject. However we have to admit that without some level of mandating by NSFA we would simply not have enough referees to appoint to matches. In 2015 NSFA overall had a coverage of approximately 88% whereas MFC was slightly higher at 90%. Of this about 68% were independent referees (neither from home or away team). This is a great improvement on 2014. All Competition divisions had improved coverage of referees compared to 2014 with the exception of M351R, with an overall improvement year to year of 13%.

### Champion of Champions

Unfortunately none of our Men's Teams have made it to the Champion of Champions Finals in 2015.

**West Pymble FC** (our Premier League Champions) had a first round bye followed by a close defeat of Shoalhaven. In the Quarter Finals they were narrowly defeated 2-1 by Inter Lions SC (Canterbury)

**North Sydney United FC** (our M35 Champions) had an exciting 4-3 win over St Mary's Band Club (Nepean) in the round of 16 only to come unstuck 2-0 by Narrabeen FC (MWFC) in the Quarter Finals.

**West Pymble FC** (our M45 Champions) defeated Epping Eastwood (GHFA) 5-3 in the round of 16, followed by a narrow loss to Inter Lions SC (Canterbury) 4-3

Congratulations to all teams representing NSFA in this illustrious tournament.

Also congratulations to **Hornsby Heights FC (G12)** who have made it to the CofC Final.

### NSFA and Rick Close Cups

In our Association Cup Competitions **Chatswood Rangers** prevailed over **Mt Colah** in the NSFA Cup. In the Rick Close Cup, **West Pymble** narrowly defeated **Chatswood Rangers**.

In Summary 2015 was a fantastic year despite the weather. The Competition is growing in both Teams and Player numbers. We look forward to an even more prosperous 2016

### Howard Mann

*Chair – Men's Football Committee*

### Premier League Awards

#### PLAYER OF THE YEAR:

- 1st: Bradley Fieldler ( Berowra)
- 2nd: Matt Laming (West Pymble)
- 3rd: Matt Vickers ( Barker)

#### GOLDEN BOOT:

- 1st: Peter Blakeley – (32 goals)
- 2nd: Bradley Fieldler – (14 goals)
- 3rd: Jason Lal – (12 goals)

#### PREMIER LEAGUE WINNERS

West Pymble FC

The 2015 season continued on from the previous session to be another fruitful, fun and competitive year for girls and women's football. The end of season Gala day enjoyed perfect conditions as opposed to being washed out by torrential rain in the previous season. These perfect conditions were only complemented by a skilful display by all teams and a very competitive standard which gave an accurate reflection of the end of season. Furthermore the many smiling and happy faces of all girls only confirm that the fun element is such a crucial part and goes hand in hand with the development of skills, techniques and strategies.

The committee is striving to continue to combine these elements to women and girls of all ages and attract more female players to the sport. For this reason the Girls football schools and clinics are continuing in the post-season. The Diamond League (DL) clubs have been creating centres of excellence over the past two years and will continue to do so with the support and guidance of the committee. DL was extended to the U12 girls this year who started off the DL last season as the U11 girls and this has shown that the level and the depth of the competition has considerably improved as a result of the high standard of coaching the girls receive and the motivation the girls bring to the game. In the U12 2015 Cheryl Salisbury State Cup the five DL teams who entered dominated this competition with three of those making it to the semi-final and the final being a NSFA only affair. The DL will extend to the U11, U12 and U14 girls next season which is set to keep girls in the early high school years in the game and has the potential to further increase our numbers. Providing this environment of excellence in girls' football would not be possible without the hard work of coaches and managers from Lindfield, Lane Cove Saints, Hornsby Heights, West Pymble, Wahroonga and Northbridge and the committee is very grateful for their input.

As the DL division has only started at the younger age group, challenges remain in the U16 and U18 division to avoid a two team dominance which creates a lack of competition for the stronger teams and demotivates other teams in the division.

A solution to play two U16 teams up in the U18 competition proved to only partly solve the problem but left a challenge for next year. Therefore a combined division with MWFA is in discussion and a possibility for the next season.

In the Women's division a squad system will be a continuing work-in-progress for the committee to face the challenge of greater flexibility to move players within a club. It is also been discussed to have a Gala day for the women's division as well in the next season.

The girls' Gala day was a great success and it was great to watch so many girls having so much fun competing and displaying what they have achieved throughout the season.

Congratulations to our age and division winners:

<b>G12 Diamond League</b>	Hornsby Heights A
<b>G12 Division Two</b>	Sacred Heart Pymble
<b>G14 Division One</b>	Northbridge A
<b>G14 Division Two</b>	Wahroonga A
<b>G14 Division Three</b>	Mt Colah A
<b>G16 Division One</b>	Lindfield A
<b>G16 Division Two</b>	Asquith A
<b>G16 Division Three</b>	Prouille A
<b>G18 Division One</b>	Lindfield A
<b>G18 Division Two</b>	Mt Colah A
<b>WAA Division One</b>	Northbridge A
<b>WAA Division Two</b>	Lane Cove A
<b>WAA Division Three</b>	West Pymble B
<b>WAA Division Four</b>	Prouille
<b>W35 Division One</b>	North Sydney United A
<b>W35 Division Two</b>	Kissing Point A
<b>W35 Division Masters</b>	Chatswood Rangers B
<b>W30 6-a-side</b>	Lindfield Blue

2015 also saw the introduction of the GWFC Under 18 Girl's Shield for G16 and G18 teams not entered into the State Cup. The competition attracted 8 entries and after a series of knockout matches Mt Colah 18A and Northbridge 16C met in the final at Mills Park on NSFA Cup and Shield Final Day. It was a tight, dour match which went into extra time without a result. A thrilling penalty shoot-out ensued with Mt Colah eventually emerging as the winner 5 penalties to 4.

The committee was also involved in offering an overseas football tour for girls only this season. The response was so overwhelming that two teams, U12 and U14, were able to travel to Japan with Jason Eagar, Irini Kacopieros and myself. This tour was organised by Red Lion and the girls had a fantastic time with most girls eager to do it all again next year. We were all impressed by the level of skills of girls' football in Japan but rather than being disheartened by the experience of being outplayed on the first day by technically superior teams, it inspired the girls to work harder and being highly motivated at every game to show their fighting spirit and the determination to succeed.

This has led to their continued improvement throughout the week and they left Japan a better, more compact and technically improved side at the end of the week. Thanks to Jason and Irini for their passion for the game and determination for improve girls' football. Of course thanks to all the wonderful girls who made this tour such a success.

Finally, I would like to welcome the NSFA new Female Football Development Officer, Rani Cavarretta and the committee is looking forward working with her to continue to improve girls and women's football. I would also like to thank my committee for their continued support which enabled the sudden change over of the GWFC chair to happen so smoothly. So thank you Michelle, Rob, Lynne, Sue, Kaitlyn, Sarah, Malcolm and Caroline. I would also like to thank Marcia, Damian and Jodi in the office and of course our CEO Duncan.

**Claudia Erb**

*Chair — NSFA Girls' and Women's Committee*

As another summer season rolls around again it is worth reflecting on the successes and challenges of the 2014/15 6-A-Side season. Overall, the 2014/15 summer season has to count as a resounding success, as we provided a fun and competitive environment for summer football with more than 1,500 registrations. NSEA's 6-A-Side programs continue to fulfil a number of valuable requirements for the Association:

- A social experience for people of all ages throughout the region;
- Off-season training for winter football players;
- A pathway for young referees through our Assistant 6-A-Side Officials (ASO) program;
- Involvement in a new game in 6-A-Side which has enough variations from mainstream football to keep even the most experienced players on their toes; and
- An excellent introduction to the world of football for people who have never played before.

Our biggest win in the summer of 2014/15 was the introduction of a new extremely popular competition at Blackman Park in Lane Cove on Tuesday evenings. Under the expert supervision of Brian Binfield, Pippa Binfield and Daniel Camporini we kicked off divisions across most age groups with the competition providing access to 6-a-side games to residents in the southern parts of the Association. After early hiccups we had use of the new all-weather surface and by season end most teething problems had been addressed. Last summer was an excellent foundation for this new competition and we hope to grow on that in the coming years on additional evenings, if at all possible.

At St Ives Showground the carnival was back for another year. Around 120 teams participated each week, and at its busiest the Showground had 12 matches running at once.

It is great to see this competition reunite players from the previous year(s) and this competition has definitely become a community all of its own.

In terms of challenges, the weather remains something that we can't control. As always, the safety of participants remains the number one priority. The lighting at the Showground remains a thorn in our side and is something we continue to look to improve – at the time of writing we are booked for the next Ku-ring-gai Council cherry-picker to replace some of the blown bulbs.

A big improvement for the 2016/17 season involves the three new synthetic playing fields at North Turramurra Recreation Area (NTRA). These fields should be available for the commencement of the 2016/17 summer 6-A-Side season, allowing us to relocate our long-standing Showground competition before Christmas and also to reinstate the 'northern' post-Christmas competition there. In the past we have played this competition at the Ku-ring-gai Hockey Centre and last season at Blackman Park, however the NTRA will provide a better surface for football and a better experience for players from the northern reaches of our Association.

Finally I would like to extend a big vote of thanks to everyone who has contributed to making these competitions so special over the past 12 months. In particular order:

- Brian Binfield, the master of transporting, constructing, deconstructing, advising and generally doing anything that needed doing. All the while managing to find time to referee with the biggest smile on his face;
- Head Chef Andy Bayles, manning the popular fundraising BlowFly Cricket BBQs at the Showground;
- John Humphreys, who managed the Mills Park comps with great diligence and care;

- This year we saw new Ground Controllers Zac and Ben Sullivan, learning the ropes at Blackman Oval.
- Ian Mackay, who can get fields marked at the Showground and Mills Park irrespective of floods, fires or anything in between;
- Marcia Allman, who stoically managed a change of registration systems yet was still happy to put her hand up to volunteer time to help manage the new Blackman Park comp;
- All of the Match Officials who continue to support our competitions;
- Hornsby Council, Ku-ring-gai Council and Lane Cove Council for use of the grounds; and
- All of the Team Managers, without whom we wouldn't have our competitions.

I am looking forward to seeing you all at the various grounds this summer.

**Mark Rushton**

### Participation Expo

This year, NSFA ran their Silent on the Sidelines fundraiser to support and promote the Special Needs football programs run from West Pymble and St Ives Football Clubs. These clubs saw this as an opportunity to take a big picture view of the purpose and ideals of their activities. The Special Needs programs do not concern themselves about winning games or scoring goals. These programs came into existence to allow those that are disadvantaged and marginalised by circumstance to engage in mainstream activities and defeat the isolation. These clubs took this opportunity to create a brand new event to help those with disabilities connect with the community.

The clubs set about involving a range of service and activity providers in an event to promote participation in all its forms. By having a range of providers together in the one place and time, participants could meet with them and in some cases participate in activities to see if they suited, all at no charge to any involved. There was a range of activities to experience firsthand as well as booths and information. Of course the football clubs were well represented but also in attendance were organisations including:

- BlowFly Cricket
- Ability Links
- Special Olympics
- Cerebral Palsy Alliance
- Softball NSW
- Riding for the Disabled
- Sunshine
- Studio Artes

The day was a great success with over 100 people playing games and exploring opportunities they may never have otherwise considered. As this was held leading into summer competitions, cricket was attracting a great deal of interest. Perhaps the standout session was a dance performance from Studio Artes that ended the day with everyone entertained and with an appreciation of possibilities.

The NDIS will bring changes, those in need will move from a single provider and set activities to being able to mix and match to meet individual needs and circumstances.

Activities like the Participation Expo have set the standard and will introduce those involved to opportunities and sports. The event promoted football as a leader and a standout provider of options.

#### David Howard

*Participation Expo Organiser*

### Crazy Hair and Sock Day

On Saturday 1 August, St Ives FC held a Crazy Hair and Sock Day to raise funds for defibrillator units. The need for these vital machines was driven home to us when we tragically lost one of our M35s players during the first game of the season. Emin Rufati collapsed on the field during his match against North Sydney and was unable to be revived. As a club we are determined to do all we can to help prevent further tragedies.

All MiniRoos teams dressed up in crazy socks or had a crazy hair style – or both and gave a donation for being out of uniform. Many of our competition teams came on board too with crazy hair and donations. We also received a generous donation from Corpus Christie club and the Greenwich W35s arrived at their game with a donation and wearing crazy socks. We were overwhelmed with the support we have received from the NSFA Community which helped us with the purchase of our first three defibrillators.

We continued our fundraising on Gala Day with a cake stall and BBQ. I am so proud to say that all up we raised approximately \$15,000.00, enough to purchase three more machines, taking our total to six. These portable units will go with our M35s and M45s teams to all matches in 2016 and we will also have units stationed at Warrimoo Oval and Toolang Oval.

If you would like more information on defibrillators follow this link [www.defibforlife.org.au/](http://www.defibforlife.org.au/)

#### Penny Howell

*President, St Ives Football Club*

It is with pleasure I submit the PD&DC report for the 2015 season.

In the main this season was uneventful from a PD&DC perspective, however, as the statistics below show there was a disappointing trend in player discipline with an increase of 13% in send offs and nearly 11% in cautions.

The major concern is the continued abuse of match officials which saw many players receive suspensions of 4 matches or more (1 player until 31 December 2016). Rest assured the PD&DC will continue to take a hard stance on this offence by any player, team official or spectator found guilty of abusing match officials.

I ask everyone to remember, that match officials are there for the same reason as everyone else, to enjoy themselves by being involved in a game of football. They are not there for everyone else to take out their frustrations on.

I would like to express my sincere gratitude to this season's committee members, Chris Rayner, Edwina Robinson, Chris Hemming, John Bradfield, Jo Zafos, Penny Howell, Paul O'Donnell, Murray Hutton, Peter Thomsett and Alex Rusten (KDFRA Delegate), for their time and efforts on Wednesday nights. Your contributions were greatly appreciated.

As can be seen, the number of committee members is small and it would be advantageous to increase this pool to reduce the number of meetings each member needs to attend during a season. If any club members (particularly from middle and southern clubs) are interested in joining the committee in 2016 please feel free to contact me via the NSFA office.

Finally, thanks also to the office staff, particularly Damian, for their support and assistance. It too was greatly appreciated.

Yours in sport,

**Alan Clarke**  
*PD&DC Chairman*

### 2015 Season Statistics

	2015	2014	2013	2012
Send Offs	<b>205</b>	182	229	173
Cautions	<b>1975</b>	1784	2134	1846
4 Yellow Suspensions	<b>22</b>	39	82	53
6 Yellow Suspensions	<b>8</b>	2	12	5
7 Yellow Suspensions	<b>1</b>	0	6	0

*There were also 19 other incidents referred to the PD&DC Committee*

Consistent with the Football Federation Australia (FFA) vision and philosophy; the NSFA community are embracing a football culture that promotes a technical, attacking, and effective possession based game. With the National Curriculum as our guide; coaches, players, parents are all talking the same football language.

The Whole of Football Plan released by FFA in 2015 outlines what needs to be achieved to take football to another level in the longer term, to enable us to be a world leader in the world game. From a player development and coach development perspective NSFA are already well positioned given our existing programs, structures, and commitment to developing the game and opportunities for players and coaches.

## Community Football

### Coach Education

Within NSFA the aim is to develop a culture whereby coach accreditation is the norm. Minimum coaching standards have been introduced into the Diamond League and the Boys U12 Division 1 competition. In 2016 this will extend to the U6, U7 and U8 age groups. To meet the demand for courses the pool of coach education presenters in NSFA is growing, with 8 local clubs now with their own in house Grassroots Certificate presenters. In addition to community coach education, an Advanced C Licence course has been offered in NSFA in 2014 and 2015, giving local coaches an opportunity to undertake a higher level of coach education. In 2015 two local coaches were offered scholarships to complete the C Licence, rewarding their long term commitment to developing players in NSFA. The following community coach education courses have been conducted over the past 12 months, a big thank you to Marcia Allman for getting these courses up and running.

### Coach Education:

#### Number of Courses Run/Total Participant Numbers

COURSE	2014/15	2013/14
Grassroots Certificate	12/369	9/257
Skill Training Certificate	6/119	2/43
Game Training Certificate	3/46	2/49
Senior Certificate	2/27	1/26
Goalkeeper Certificate	0/0*	1/13
FNSW Coach		
Updates	2	54
NSFA Coach Workshops	3/32	2/48
<b>Total</b>	<b>28/653</b>	<b>19/490</b>

### NSFA Football School

The NSFA Football School has been operating for 3 years on Mondays and Fridays during all four school terms. The Football School is a training program (including Goalkeeper specific training) that aligns with the National Curriculum for community players aged U6 to U14. The aim of the program is to provide an opportunity for community players to receive professional coaching, in addition to their club training, that is all year round. Players are grouped by age and ability to maximise development outcomes, Girls only groups with a female coach are also available. Participation in the past 12 months has increased by 41% thanks to the professional approach and dedication of Head Coach Greg Beirne (B Licence) and the Football School coaching team.

### Football School Participant Numbers

	2014/15	2013/14
Term 4	146	85
Term 1	161	125
Term 2	148	107
Term 3	164	122
Total	619	439

### NSFA School Holiday Clinics

School holiday clinics cater for all community players (boys and girls) from U6 to U14, with a joint focus on fun and development. They have proved very popular and are now etched into the annual calendar, with participant numbers growing by 44% in the past 12 months. Greg Beirne the Head Coach of the holiday clinics has played an important role in continuing to deliver a quality program. The holiday clinic coaches are all accredited coaches, most of which are either Northern Tigers coaching staff or players. Girls have the choice to attend the mixed clinics or Girls only holiday clinics with exclusively female coaches. Specific goalkeeper coaching is provided at the holiday clinics for budding shot stoppers!

### School Holiday Clinic Participant Numbers

	2014/15	2013/14
September/October	185	104
January	218	97
Easter	378	257
July	388	356
Total	1,169	814

### Representative Football

#### *Skill Acquisition Program (SAP – U9/U10/U11)*

SAP forms part of the FNSW official pathway for talented local players and coaches. The Northern Tigers SAP squads contained 59 players in 2015 competing against other Associations and National Premier League Clubs. There is a commitment to complying with the National Curriculum guidelines in terms of coach qualifications (all Northern Tigers SAP coaches have a C Licence as a minimum), training practices and playing style to achieve the best development outcomes for the players. FNSW actively monitor compliance by attending training sessions and match days.

During the season Northern Tigers SAP teams visited a number of local clubs to train with community players to share the SAP experience with players, coaches, parents. In 2016 opportunities at this level for local players will increase with both Northern Tigers and NSFA participating in SAP.

#### *Regional Conference (U12/U13/U14/U15)*

NSFA entered teams in the FNSW Regional Conference competition again in 2015. It is a representative team selected from boys registered with NSFA clubs. These players continued to play with their Club team as well as participate in the Regional Conference competition. Regional Conference bridges the gap between the National Premier League football (Northern Tigers FC) and Division 1 Club football. It provides these players and coaches with an additional challenge and a further development opportunity; players are also invited to train on regular basis with the equivalent Northern Tigers team. Head Coach Brendan Dalton (B Licence) and the Regional Conference coaching team have once again delivered a successful program.

#### *FNSW State Titles*

A number of Northern Suburbs players and coaches were successful in being selected to represent Met Far North at the FNSW State Titles held in July and September – both boys and girls teams, ranging from U12 to U16s. The State Titles provide another development opportunity for local players and coaches. A highlight was the winning U15 Met Far North Boys, containing 3 NSFA Regional Conference players. The teams are drawn from players residing within the NSFA and Central Coast Football boundaries.

#### *National Premier League - Northern Tigers FC*

The vision for Northern Tigers FC is to develop better players for tomorrow. The quality of the Northern Tigers FC programs across both the male and female arms of the club, and all ages, continues to improve. Northern Tigers FC play in the FNSW National Premier League; providing a pathway for local players to reach the highest levels of the game.

**Jason Eagar**

*Technical Director*

Undefeated Northern Tigers U15's.

20's First Grade Premiers.

As the Representative arm of Northern Suburbs Football Association the 2015 Season was Northern Tigers most successful season to date, with 10 of the teams reaching the Grand Finals and represented in every Youth age group finals bar 1 and in 3 of the 5 Senior teams. With 5 of the 10 teams reaching the Grand Final and 3 teams being crowned Premiers.

Our Girls U17 were Minor Premiers along with Youth U15, who achieved the remarkable record of going the season undefeated! A number of other Northern Tigers teams narrowly missed out or being crowned Minor Premiers with the end of season results not quite going our way coupled with a number of season ending injuries.

The success this season can be attributed to the focus over the last number of years on Football Development, quality Coaches (with some of the highest qualifications in FNSW), the leadership of Jason Eagar NSFA and Northern Tigers Technical Director, and a nucleus of home grown and developed talent.

Northern Tigers has built a reputation as being one of the leaders in Football Development in the FNSW NPL1 and 2 competitions, a fact recognised at the FNSW 2015 Season Gala Dinner with Harry McAllister (U20's) taking out the FNSW U20 Player of the Year award and Northern Tigers winning the 'FNSW Fair Play Award' for the 4<sup>th</sup> time in 5 years and 7<sup>th</sup> time in the last 10 years.

TEAM	P	W	D	L	GF	GA	PTS	POS
U12	22	11	5	6	40	22	38	5th
U13	22	5	9	8	32	27	24	8th
U14	22	12	4	6	37	22	40	3rd
U15	22	20	2	0	83	17	62	1st
U16	22	11	5	6	35	23	38	5th
U18	22	10	4	8	37	30	34	4th
U20	22	13	4	5	47	20	43	3rd
FG	22	12	5	5	36	22	41	3rd
GU13	21	16	1	4	66	18	49	2nd
GU15	21	15	2	4	42	27	47	2nd
GU17	21	16	2	3	44	7	50	1st
WRes	21	9	3	9	36	25	30	5th
WFG	21	7	3	11	41	47	24	7th

*Girls U13 Premiers for 2015.*

*Harry McAllister – FNSW U20 Player of the Year – Northern Tigers since U12 (ex Hornsby Heights).*

*Northern Tigers SAP U9 – Being coached by current U20 Player, C Licence Coach and Northern Tigers Player since Under 12 (ex Wahroonga Tigers).*

Across the board the results improved for all teams. Our Women's First Grade and Reserves were competitive achieving greater success than 2015 season. Our U13 to U17 Girls go from strength to strength which bodes well for 2016 season with the majority of players moving up to the next age group. Our Youth teams improved on 2015 results with all teams improving their point's tally and goal difference.

When pooled in the Club Championship our Senior teams played 66 games, won 35, and drawing 18 which resulted in finishing in 3<sup>rd</sup> place 1 point behind 2<sup>nd</sup> place and 31 points behind first. Two more wins in FG & U20 would have seen Northern Tigers take out the Club Championship and gain promotion.

In 2015 the NSFA SAP Program came under the Northern Tigers effectively taking the age ranges within Northern Tigers from U9 to First Grade. This was a very positive move in providing a pathway for talented players, who aspire to play at the highest level. One of our SAP players in 2015 has just been signed on a 1 year contract with Hull City in the UK and we have high expectations for him. His success is testament to the NSFA / Northern Tigers SAP Program.

Off the field the season ran smoothly, our undefeated U15 team toured the UK and continued their unbeaten run and had the opportunity to train at a number of EPL & Championship Clubs as well as watch a number of EPL, Championship and European Cup games.

For the 5<sup>th</sup> year running Northern Tigers delivered on its budget as set by the board of NSFA, coming slightly under the plan.

## Outlook for 2016

The selection process for 2016 season has commenced in earnest with all Youth, Senior, Girls & Women squad's selected and our SAP trials taking place in November – across the board we have retained more than ~ 70% of our players and by mid-October had circa 720, players registering for trials with Northern Tigers (compared to 443 at the same point last year. Such is the demand for elite programs in the area.

We believe that 2016 season will be even more successful than 2015 and very much expect, despite the introduction of teams from Sydney FC & Sydney Wanderers entering the competition, to be pushing for promotion. FNSW decision to flatten the Youth structure should be seen as a positive move to focus Youth Football on Football development and getting players ready for competition Football from U18 upwards.

The recognition of the NSFA of the importance of a strong Representative arm serving as a pathway for players, ensures continued playing membership amongst member Clubs, despite competition from other sports. The Players, Coaches and Volunteers involved in the Northern Tigers appreciate and thank the member Clubs for their continued support.

## Paul Stickland

*Chair – Northern Tigers*

*Damian Miles*

2015 saw the loss of one of our long-time clubs in Highfield Family who merged with Lindfield FC. Highfield Family was a club made up of students from Holy Family Catholic Primary School in Highfield Road Lindfield. They entered the then KDSA in 1978 with 42 registered players and quickly increased their numbers in the next few years, to the point where they registered 121 players in 1986. Sadly numbers again declined after 1991, reaching a low of 44 in 1994. Again they steadily rebuilt and in 2013 they achieved a record number of registrations with 125. In 2006 they changed their name to Highfield Family following a request to do so by the school. In terms of competition wins their best year came in 1989 when they picked up 2 U10 titles, in Divisions 2 & 5. In 2006 they won a second U10 Division 5 title. Highfield Family was a highly valued member of this association for 37 seasons and made a significant contribution in that time.

The competition year got off to the worst possible start with the tragic passing of St Ives M35/3 player Emin Rufati on the field of play on the first Saturday of the season. This was the first time we have lost one of our players during a game and it hit a lot of people in the wider association very hard. It was pleasing to observe on the following Saturday Emin's wife and two young children join in the circle of team mates and opponents around the centre circle paying respect to Emin. Those who were there will never forget it. It was very pleasing for me to hear that similar scenes were played out before Men's matches all over the association in a great show of sympathy and solidarity.

Sadly Emin's death was only the first of four such events around the Football NSW community this season involving players over 40 years of age. As the number of players in the Men's Over Age competitions continues to grow these events will continue to occur. Football NSW has introduced the concept of obtaining 'pink slips' from GPs for players over 35 and is working with various agencies to increase the number of portable defibrillators at football fields everywhere. As reported elsewhere in this report the St Ives club is raising funds to give all of their Over Age Men's teams their own machine as well as machines at their home grounds.

For our part Marcia is organising First Aid classes for clubs and individuals for next season and Paul has compiled a list of all the co-ordinates of the exact location of the ambulance gates at every ground. We will be putting these co-ordinates on the website as part of the Grounds information and the Ambulance Service has confirmed with Paul that their emergency response system can work with map co-ordinates.

Working with me in the Competition Department in 2015 were of course Competitions Co-ordinator Jodi Sparks and Facilities Officer Paul Orgad. We worked very well as a team and we have achieved a lot in the last 18 months. Unfortunately Jodi has moved on to greener pastures elsewhere but her contribution to the success of the Competition's Department was immeasurable. Her great legacy was the Administrator's Handbook which she put together with a lot of heart and soul and a hell of a lot of hard work. Her departure left a huge whole but I'm pleased to say that Rani has now come aboard as part of her role and I'm looking forward to working with her and Paul in continuing to improve how we operate. Paul has done a terrific job with the grounds portfolio. This part of the job is extremely difficult (dealing with 5 different councils is not easy) but Paul has done a lot of work around processes which has made life a little easier. I also would like to thank Marcia and Jane for their assistance this year and also Duncan who pretty much left us alone to do our thing but backed us up when it was needed.

The Competition Department has made a lot of progress since February 2013 to the way competitions are conducted but there is much more still to achieve. As a team we will continue to look for ways to improve the competition experience for all participants and we welcome any feedback from clubs about how we can improve.

**Damian Miles**
