President's Report

David Watson

Congratulations on another great season

In 2016 Northern Suburbs Football Association was home to 16,561 registered players across 32 clubs; as well as hundreds of participants in the NSFA Football School and Holiday Clinics.

It is estimated that NSFA is now the third biggest sporting association in Australia by registered players; a great result and validation of the Association's Vision:

"We help our community experience the joy of football". Our success, as always, is a collective effort.

It is made possible due to the passion and hard work of our member Clubs; their management teams and volunteers. Your efforts are reflected in a high net promoter score (NPS)* of 41% in this year's Member Satisfaction Survey.

It is due to the dedicated NSFA office staff: Marcia, Damian, Jason, Paul, Joanna, Alan; your professionalism this year in the absence of a CEO ensured smooth ongoing operations.

On that note, I'd like to thank Howard Mann for his service over many years and welcome Malcolm Walcock into the CEO role for 2017.

It is due to our partners, the Ku-ring-gai District Football Referees Association; whose service enhances our game experience, and keeps us safe on the fields each week.

It is due to our 141 sponsors; true community partners whose support makes local Football possible.

It is due to our politicians and journalists who serve at Local, State, and National levels to promote sport and to improve living standards. Their awareness, interest, engagement and representation on issues that impact our community plays a key part in the growth of our game.

It is due to the service of past Members. This year we noted the passing of Phil Rees and Charles Tieldt. Both men contributed actively to Football in our Association. Their contribution is recognised and greatly respected. They will be missed by family and friends. **Vale**

Finally, it is due to the passion and advocacy of the Board. On behalf of the Members and myself, thank you for your service. Ian Plant (Vice President), Lee Sullivan (Treasurer), Brett Backhouse, Hilary Bingham, Jon Forsyth, Mick Da Silva, and Paul Stickland.

I look forward to 2017 – it's going to be great!

David Watson
Director (President)

Operations Report

2016 was the culmination of the 2013-16 Strategic Plan.

Several years ago the Board put in place a strategic plan to grow the Association; grow the number of synthetic fields, grow in the number of players, grow the development pathways available to players, grow sponsorship and grow the use of enabling technologies to better service our Members.

Reviewing our progress against these metrics we have made great progress, but there is still more to do. 2016 saw the Office and the Board work hand in hand in the absence of a CEO to cover operations and ensure the successful delivery of another season.

This meant that the focus of the Association has been more operational than strategic. Despite that, I hope you agree, the Association has continued to work on your behalf to build a stronger and more exciting Football experience.

Two Japan tours in September 2016

16 participants attended the Girls U12 tour, and 40 the Boys U12 tour.

The J-League club Kashima Antlers were the host club, and they extended fantastic hospitality to our players, coaches and parents.

Players had elite sessions and friendly fixtures against high quality local clubs and the academy. Not only did they enjoy the traditions associated with visiting another country, their guides treated them to a sightseeing tour and the wonderful Japanese culture.

During 2016 NSFA sourced a qualified recognised supplier to provide 'Basic First Aid' training to managers of NSFA registered teams at no cost to the individual or club. The supplier, Medics Australia, provide our First Aid requirements on Gala Day, Welcome to Football Day and other events in the Association.

The aim of the basic First Aid courses was to equip all participants with enough knowledge to ensure that an injured player is made comfortable at the time of injury while waiting for the ambulance to arrive. The 150 attendees found the presentation to be of a very high standard. The clinical content of the course was 'football specific' however participants left feeling they had learnt enough to assist the injured person on the field, or at home.

DEFIBRILLATORS

NSFA introduced funding assistance for Purchase of Defibrillators **"Every NSFA Men's and Women's team should have fast access to a defibrillator in 2017"**.

The safety and wellbeing of our players, officials and supporters has been a long standing priority of the NSFA. Member clubs this year provided strong feedback that defibrillators should be readily available at all fields of play, so as to ensure maximum care as early as possible. This objective has been difficult to achieve due to affordability of the defibrillator units. With this in mind, the NSFA Board resolved to set up a funding scheme for clubs, so as to ensure the objective of making defibrillators available to all members.

NSFA will source its defibrillators from FNSW endorsed supplier "Defibs for Life".

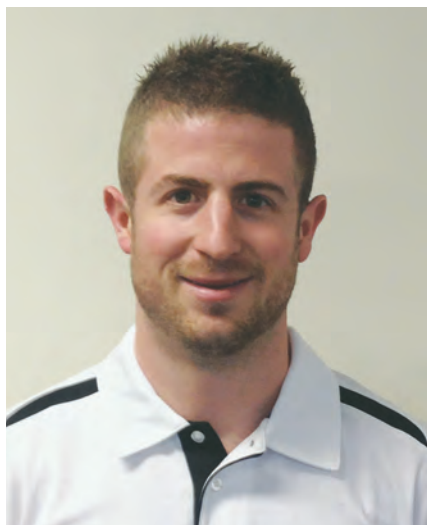

The SOS (Silent on Sidelines) weekend was held on Saturday 28 and Sunday 29 May 2016 Players in all age groups, coaches and spectators took part in the weekend Code of Conduct promotion. NSFA are committed to respect on the field, for players and referees.

A big thank you to Media Coverage from the following:

The Sydney Morning Herald, Radio 2UE Breakfast Radio with Tod Sergeant, 2NURFM, 2GB with Ben Fordham, ABC Radio with Penny Timms, ABC News with Jonathon Gul, Nine News, The Football Fix with Archie at Triple H – 100.1FM, FNSW Website, North Shore Times writer Cassandra Beidis, Nova Entertainment – Fiveaa Afternoon with Jeremy Cordeaux and Australian Football in the UK.

Facilities Report

Paul Orgad

2016 has been a momentous year for facility development in NSFA. A significant number of projects have been completed with many more currently in progress. The steady rise in participation numbers suggests growth in facility activities is warranted and momentum should be maintained if we are to meet demand. It is pleasing to see that improvements have been made on a spectrum, ranging from new fencing, upgrades to amenities, better floodlights and renovations to playing surfaces.

Before we look ahead it's important to acknowledge what has been accomplished in the past 12 months. **Asquith Oval** benefitted from an upgrade to its floodlights in the early part of the year – meaning night matches are now possible. Furthermore, works are underway to improve the surrounding landscape with a new playground, BBQ area and tiered seating to be installed. A sealed car park is also part of the works.

Mentioned in last years' report was a \$45,000 investment into **Bob Campbell Oval** and its playing surface and we are pleased with the final result. The project included; surface levelling, new turf, regular aeration of the soil and over-sowing the field with rye grass for a better product during winter.

From all reports (and the photos), the field was in great condition for most of the season and handled wear and tear with greater resilience than previous years.

The synthetic field at **Thomson Park** was made available for the entire 2016 season with MiniRoos experiencing plenty of game time at the venue. Chatswood Rangers and Northbridge FC were the beneficiaries for midweek training.

Completed in August 2016 – **Castle Cove #2** received four new light poles allowing midweek training beyond 5pm to occur for the first time. Users of **Willoughby Park** were fortunate to access a brand new amenities block – installed midway through the year.

Howson Oval in Turrumurra has been closed for almost 12 months now whilst improvements to the drainage and irrigation are made, new turf laid and fencing repaired. The field will be available to NSFA for the 2017 winter season.

Some upgrades which are smaller in nature have taken place in the last couple of months. **Karuah** and **Warrimoo** both received new fencing which has resulted in safer use for all participants. NSFA and Wahroonga FC contributed to the repair and installation of new turf inside the 6-yard boxes at **Ku-ring-gai High School #2** in late 2015. The results were pleasing and NSFA encourages this kind of collaboration between its clubs and the association.

Two major projects which are close to completion are **Koola Park** and **North Turrumurra Recreation Area (NTRA)**. Crucially, 2017 will see the introduction of 4 NEW fields to NSFA across these two locations. I refer to 3 fields at NTRA and the inclusion of 1 additional field than previously available at Koola Park. Neither of these sites have officially opened but they represent the first new football fields in the Ku-ring-gai LGA in almost 3 decades. To confirm, NTRA consists of 1 full size synthetic field, 2 small synthetic fields (32m x 24m), plus two full size natural turf fields.

North Turrumurra Recreational Area
– 1 full size synthetic field, 2 small synthetic fields plus two full size natural turf fields

Many other projects took place during the past 12 months and I would like to thank our member clubs and local councils for their continued support and assistance with the development of facilities in NSFA.

Looking ahead to 2017, the significant changes do not look like slowing down. Some major projects have been approved and NSFA members should be excited at the prospects that await. Headlining the list of projects due for completion next year is the redevelopment of **Chatswood High School (CHS)** and the conversion of the oval into a synthetic field.

As many would know, CHS has been closed since midway through the season for the past two seasons and whilst the field has been earmarked for synthetic grass for a couple of years, funding to remove dangerous material was not available. Thanks to the Department of Education and significant investment from Willoughby Council, the removal of this material and the resultant conversion will commence in December 2016. The upgrade to CHS also includes renovation to existing bathrooms and change rooms, installation of cricket nets, hard surface handball and basketball courts and storage beneath existing demountable classrooms.

Also in the Willoughby LGA – funding has been approved for the conversion of **Gore Hill Oval** into a synthetic field. Whilst the venue will be used by AFL for the vast majority of the winter season, NSFA hope to access the field for summer football and intermittently during winter. In addition to the synthetic field, stage 2 of the project involves building an underground carpark and multi court indoor facility adjacent to the Pacific Highway.

Further upgrades in 2017 include repair of existing fencing and installation of new fencing at **Foxglove Oval**, in addition to minor repairs to the playing surface.

Whilst these projects listed present us with the confirmed works for the next twelve months, NSFA will continue seeking out additional opportunities.

One opportunity to assist with that objective is the Asian Cup Legacy Fund which was announced in September of this year. The funding has been made available after Football NSW lobbied the Australian Government to award its biggest member federation a portion of the profits accrued through the successful 2015 Asian Cup. As a result, \$3.1million will be available to Football NSW's member associations and clubs. NSFA will finalise a submission for funding towards a synthetic field at **Norman Griffiths**, amongst other projects. The announcement of successful applicants will not be made until May 2017 so NSFA will continue seeking funds from multiple sources for Norman Griffiths and a number of other sites across NSFA.

Moving forward, NSFA will be using a recently conducted ground audit to enable a more strategic approach and targeted planning towards facility improvements. We will seek to engage in more depth with member clubs and local council than ever before and I look forward to working with our new CEO Malcolm Waldock as advancement in the realm of facilities continues to gain momentum.

I would like to take this opportunity to thank NSFA clubs and local councils for their input into improving facilities. I believe NSFA and its member clubs are currently well placed but the desire for further improvements must remain and this will only be achieved through calculated and strategic planning and constant communication across all areas.

Paul Orgad
Facilities Officer

Asquith Oval – Improved lighting (inset), tiered seating, landscaping and new BBQ facilities.

Charles Bean – Now finished with tiered and landscaped surrounds.

Thomson Park.

Junior Mixed Football Report

The 2016 Season at Northern Suburbs Football Association saw a record number of 9,955 junior mixed players (mixed U6 to U18), another increase on the 2015 record number of players. This represents over 60% of the Association's players.

The Association had nearly 1,500 registered volunteers that ensured the junior mixed teams were organised at the beginning and every match during the season.

Without the team Coaches, Managers, Age Convenors, Club Committee members and Junior Football Committee members, the close to 10,000 children would be without the sport they love so dearly.

Of these 1,500 volunteers, 10% took on two or more registered team based roles. To lessen the work load on the few, I encourage more parents to get involved and enjoy the sense of satisfaction and community that volunteering gives you. A worthy starting point is to attend a free 2.5 hour Grassroot course. This small investment in time demonstrates how easy it is to get involved in the game, whether it is coaching, managing, being a game leader, referee or an encouraging spectator.

I would also like to recognise the tireless and diligent work of the NSFA Office, without the super human efforts of Damian Miles, Marcia Allman, Rani Cavarretta and Paul Orgad, we would not be able to enjoy more than 500 Junior Mixed Football matches each and every weekend during the season.

The season was kicked off with Under 6 "Welcome to Football" Fun Day. We had 69 teams playing in 18 pools on 16 fields as an introduction to Football. While the children waited for the next pool game there was lots of fun activities to keep them amused.

The Under 12s are another challenging age group to get the competition as even as possible. We ran two weeks of trials at the beginning of the season to help with the creation of the Under 12 Divisions. This process reduced the need for divisional changes throughout the season.

Due to a historical dwindling of player numbers throughout secondary school years we trialled an Under 13 competition to be played on a Sunday morning. With a strong awareness campaign driven by Sean Conroy from West Pymble, we were successful in getting five teams from four clubs to form a competition that increased the Under 13 player numbers to a record number. All reports indicated that these teams had a positive season. We hope that we will be able to carry on this Sunday competition into Under 13 and Under 14 next season and curtail the loss of players in these age groups.

Football Federation of Australia (FFA) introduced MiniRoos in 2015, a noncompetition system for Under 6 to Under 11 Junior Football. During the 2016 season we trialled local variations to the MiniRoos regulations in the expectation that FFA will adopt these changes to make the game fairer and aid in the development of our junior players.

We all have a responsibility to promote high standards of behaviour in the game. Players, Coaches, Managers, Parents and Carers have a responsibility to act in a positive manor. This includes being a role model and encouraging good behaviour in not only yourself, or your own child but also their team mates, coach, manager and other spectators. Supporting your child and their team is natural, but it needs to be done in a positive and supportive way in a harassment-free environment.

I would like to thank the 2016 Junior Football Committee (JFC) members for their devotion in applying their depth of experience in overseeing Junior MiniRoos and Youth competition Football of the Association:

Jason Hughes/ Christopher Lilley
(Lindfield) U6/7 Age Convenor

Sean Sweeney (West Pymble)
U8/9 Age Convenor

Hernan Reyes (Prouille)
U10/11 Age Convenor

Christine Freer (Mount Colah)
U12 Age Convenor

Matthew Wall (Hornsby RSL)
U13 Age Convenor

Miles Townend (Kissing point)

U14 Age Convenor

Tony Kalogerou (North Sydney)

U15 Age Convenor

Tass Meli (Berowra)

U16 Age Convenor

Barry Thompson (Mount Colah)

U18 Age Convenor

Martin Dickey (Northbridge)

If you are passionate about Junior & Youth Football, we would love to hear from any volunteers to assist with the Committee in 2017.

Whilst we await the 2017 Season, to keep the Football blood pumping through our veins, I would also like to encourage players and their families to attend as many A-League and W-League games as they can. We are spoilt in Sydney having so many quality teams – Sydney FC, Western Sydney Wanderers and Central Coast Mariners at our doorstep.

Visit www.a-league.com.au and www.w-league.com.au for more details.

Look forward to seeing you out on the football field in 2017.

Barry Thompson

Chair - Junior Football Committee

NSFA President David Watson, Life Member Bill Mackay and Mariners player Tom Heward-Belle with captain of the Asquith team, Zachary Dureto – **Winners of President's Shield 2016.**

Men's Football Report

U20 Champions C of C
– North Sydney United.

Firstly I would like to sincerely thank Howard Mann for nominating me for this role and his invaluable help on the committee for the past few seasons. Along with support from the NSFA office I have also received great support and advice from the members of the Men's Football Committee:

Roy Ashpole (PL and MAA3),
Andrew Cummins (MAA2),
Frank Hammersley (M351),
Chris Wiseman (MAA4),
Chris Goldrick (MAA5),
John Humphreys (M355),
Nigel Lazarus (M352, MAA6),
Ian Plant (M353, M354),
Mark Bryant (M452 M453),
Clive Solari (M451).

This team together with **Damian Miles**, designed the divisions and managed all aspects that are related to the MFC Competitions and aim to improve it every year. I would also like to thank the NSFA Office, Team Managers, Clubs and Players for their great contributions. We meet monthly during the pre-season and throughout the season to ensure that all competitions are well structured. During the season we meet to deal with scheduling matters (mostly rain but can be other matters) and to adjudicate on issues which includes player eligibility, disposition of abandoned matches and to discuss changes to regulations and structure of the competitions. In 2016 we were not as seriously affected by bad weather compared to prior seasons and were able to complete all rounds with many divisions playing a finals series. We were able to schedule many midweek games, largely due to North Sydney United allowing us to play these matches at Cammeray and Primrose so we really do appreciate all your assistance.

MFC is always looking for fresh ideas and faces, especially from the All Age divisions, should you be interested in joining the committee please contact me on nsfamenschair@gmail.com

Mens Over 35 Group Discussions

During the season, MFC asked presidents, coaches and managers of clubs that played in the M35 competition, their views on single team divisions or squad (or quasi) squad divisions. The replies, which were quite varied and informative, were used to discuss the present structure and possible changes for future years. All the responses helped MFC understand the opinions at the grassroots. The vast majority of views was to return to squad/quasi squad divisions.

1. Player Numbers – overall player numbers stayed fairly consistent this season. It was interesting to note that in the M35 competition numbers were down 15 % to 1099 whilst in M45 they were up 35% to 805, this was due to several teams migrating to the more mature competition. In MAA they were down 6%. There were overall 10 fewer teams this season.

2. Grounds – to allow all MFC fixtures to be played on Saturday afternoon we continued the policy of Sunday rotation for all divisions apart from PL, MAA2.

3. Player Age Profile – the 2015 registration data showed that 1/3 players in the M35 competition were over 45. The MFC introduced single team divisions in M353/4 and M45 to enable an easier movement between the age groups. This enabled several clubs to migrate to the M45 competition which consequently expanded from 2 to 3 divisions after an initial grading process (many thanks to Mark Bryant on overseeing this process).

4. Promotion & Relegation – MFC have long held the view that 2 up/2 down is the correct model for promotion and relegation. This policy will stand for All Age, however this has generated some issues, especially between the highest division and the second division in M35 and M45. Many promoted clubs from division 2 have struggled in the higher division and have usually been relegated after one year. MFC will review these issues as appropriate.

5. Midweek Fixtures – MFC arranged in excess of 100 midweek fixtures in 2016. Many thanks go to all clubs that agreed to rearrange their training to allow this to take place. Most notably North Sydney United (and their president Simon Cox) who managed to provide a large percentage of this capacity.

6. Saturday Evening Fixtures – following on from the exciting innovation in 2015, we again held many matches in the evenings during 2016 across several grounds.

7. Alternative Formats – in 2016 although we offered a Sunday morning 6-a-side competition for M35 and M45, there was no take up of this and so it did not come into fruition.

8. Referees – This is always a touchy subject. This season we asked the clubs to nominate the required number of KDFRA qualified referees per squad and/or team and not just for the total required number.

Without some level of mandating by NSFA, we would simply not have enough referees for KDFRA to appoint to matches. In 2016 NSFA overall had a coverage of more than 90% – this is a further improvement on 2015. All Competition divisions had improved coverage of referees compared to 2015 with All Age coverage ranging from 91-100%, M35 90-96% and M45 at 91%.

9. EMC review – this has been an overwhelming success. Earlier issues were quickly resolved, the main issue with selecting players with quasi squads is yet to be refined.

West Pymble have achieved something quite rare this season with the First Grade side winning the Premiership for the second year running whilst the Reserve Grade team has also won the league in 2016.

Champion of Champions

Congratulations to North Sydney United Under 21s for winning the final of Champion of Champions in 2016. This team competed in the Men's all Age Div 4 competition which they won by a margin of 15 points.

A special mention also for West Pymble All Age and North Sydney United Over 35 who both reached their respective finals. West Pymble were desperately unlucky; forced to play with only 10 men for all but 15 minutes they were finally defeated 5-4 with a "golden goal" in extra-time.

North Sydney United were in the game after 75 minutes at 0-0 but a late flurry of goals saw them defeated 4-0.

Special mention also to the St Michael's Over 45 team that reached the semi-finals and lost to the eventual winners.

NSFA and Rick Close Cups

In the Association Cup Competitions, North Sydney United beat Chatswood Rangers 2-1 in the **Rick Close Cup** and Kissing Point also beat Chatswood Rangers 2-1 with a golden goal in the NSFA Cup.

In Summary 2016 was a fantastic year. The Competition is growing in both Teams and Player numbers. We look forward to an even more prosperous 2017.

Nigel Lazarus

Men's Football Committee

Premier League Awards

PLAYER OF THE YEAR:

- 1st: **Robbie Kerr** (36)
Lane Cove FC
- 2nd: **Matthew Fisher** (33)
North Sydney United
Jake Harris (33)

- 3rd: **Peter Blakeley** (17)
Kissing Point FC

PREMIER LEAGUE WINNERS: West Pymble FC

2015 Premier League Player of the Year and 2nd Place Golden Boot, awarded to Brad Fiedler from Berowra FC.

Girls/Women's Report

The 2016 Northern Suburbs Football Association's season was another fantastic one for girls and womens Football. The season culminated in a glorious, sunny day for the girls' gala day. I was lucky enough to be at Montview Oval to witness some very impressive and skilful football. It was also a delight to see the happy faces of our junior footballers, who were clearly enjoying their final games of the season.

2016 again saw a rise in the number of females playing football in the NSFA. The Committee is striving towards an increase in double digits for the next season. The NSFA's football school and many of the local clubs are offering training and clinics over the summer to keep interest alive. Girls are also encouraged to participate in one of the many available 5 or 6 aside competitions. Our Women's Development Officer, Rani, will also be working with local clubs and schools to raise the profile of football for girls.

The Diamond League (DL) continues to be a successful avenue for girls' football. The League was designed to give players great training and good competitive games on a weekly basis. The competition was created to bridge the gap between representative football and club football. In 2016, the DL was extended to G11, G12 and G14 and it is the hope of this Committee that we see the flow on effects of the higher standard of football in our G16 and G18 competitions over the next couple of seasons.

In 2016 however, we still had 3 dominating G18 teams. It was decided that these three teams would play in the Women's All Age competition, and they went on to have a successful season. This left two remaining G18 division which were a lot more even and a better solution all round for the girls' development in this age group.

Other changes in the Association included the progressive step to move the G12 competition to a 9v9 small-sided format coincide with the development philosophies outlined in the National Football Curriculum.

The focus is on more touches on the ball for each player and greater skill development. The Committee has agreed to continue the 9v9 format next year but will change the G12 back to a competition age group.

Our girls' teams have had another successful season in state wide competitions. The Northbridge G12 team have proved themselves in a 11v11 format winning the Cheryl Salisbury Cup. The Northbridge G14 team were also victorious in the State Cup. In Champion of Champions Northbridge Under16s made the final where they were very unluckily beaten in a penalty shoot-out. Three other teams made the semi-finals – Lindfield Under 18s, Northbridge All Age and Mt Colah Over 30s who were all narrowly defeated. Congratulations to all the teams named above on their outstanding results.

The Women's over 30's 6-a-side competition, now in its 3rd year, was another great season. In particular, sunny afternoons up at Montview, were a fun social afternoon for all teams. The new addition to Womens O35 football, Mt Colah, debuted as competition winners, taking on long standing successes, North Sydney. Another noteworthy point was Rani's organisation of visits of current Matildas to some of our local clubs. Watching the interaction between Chloe Logarzo and young footballers at Lindfield was fantastic to witness.

Finally, I would like to thank Claudia Erb, our outgoing Chairperson for her years of commitment to the girls' and women's committee. In particular, mention should be made of her contributions to the setup and continued success of the girls' DL competition. Also a big thank you to the enthusiastic and dedicated members of the committee, Malcolm, Lynne, Rob, Kristy, Mick, Sue and Claudia. In addition, I am very grateful to the considered and experienced input of Damian and Rani.

Sarah Jenkins

Chair – NSFA Girls' and Women's Committee

Summer 6-a-side Report

As another summer season of 6-a-side rolls around again it is worth reflecting on the successes and challenges of the 2015/16 season.

Overall, last summer has to count as a resounding success, as we provided a fun and competitive environment for summer football with close to 1,500 registrations. NSFA's 6-a-side programs continue to fulfil a number of valuable requirements for the association:

- A social experience for people of all ages throughout the region
- Off season training for winter football players
- A pathway for young referees through our Assistant 6-a-side Officials (AFO) program
- Involvement in a new game in 6-a-side which has enough variations from 11 aside to keep experienced winter players on their toes!
- An excellent introduction to the world of football for people who have never played before
- An opportunity to keep fit over the holiday season
- A whole stack of fun in the sun

Our biggest win in the summer of 2015/16 was the increased number of team entries at Blackman Park in Lane Cove, where we have now reached saturation point in the pre-Christmas competition. It is essential, we as an organisation, continue to work in closely with Lane Cove FC and Lane Cove Council, to increase hours of use and also, hopefully, another evening or two of ground hire.

Mills Park in Asquith remained relatively stable though did increase in team entries by another 10%. Under the expert supervision of John Humphreys (Asquith FC – President) this competition ran smoothly with few glitches. It is now time to expand this competition to include an additional evening and younger age groups.

At St Ives Showground the carnival was back for another year. Around 85 teams participated each week, and at its busiest the Showground had 8 matches running at once. In 2016 this competition was moved to Charles Bean to ensure better lighting and safety for players.

In terms of challenges, the weather remains something that we can't control. As always the safety of participants remains the number one priority. Also, the lighting at the Showground is something which continues to be of ongoing concern.

Vale Charles Edward Tiedt

31/08/1951 – 21/05/2016

It is with sadness that one of our most popular and longest-serving 6-a-side referees, Charles Tiedt, passed away on Saturday, May 21. Charles suffered a heart attack whilst refereeing at Asquith Oval. Our deepest sympathy and condolences are expressed to Charles's family and friends.

Finally I would like to extend a big vote of thanks to everyone who has contributed to making these competitions so special over the past 12 months.

In no particular order:

- Brian Binfield, the master of transporting, constructing, deconstructing, advising and generally doing anything that needed doing. All the while managing to find time to referee with the most cheerful disposition;
- Andy Bayles, Master Barbecuer to the stars at Mills Park and helping out with running of the Showground;
- Ben, Zac and Lee Sullivan for their collective efforts in Ground Managing Blackman Park, our busiest Centre;
- Ian Mackay, who continues to get fields marked irrespective of floods, fires or anything in between;
- Marcia Allman, who continues to work tirelessly to ensure the success of the 6 aside competitions;

- Lyle Hudson who is of wonderful support to our Match Officials;
- All of the Team Managers, without whom we wouldn't have our competitions;
- All of the Match Officials who continue to support our competitions; and
- Hornsby Council, Ku-ring-gai Council and Lane Cove Council for use of the grounds and wonderful levels of support and enthusiasm.

I am looking forward to seeing you all at the various grounds this coming summer 6 aside season.

Mark Rushton
6-a-side Organiser

PD & DC Report

NSFA Cup Referees

Matthew Kelly, Adrian Brett, Paul Cornale, and Cailan Shaw.

Referees for the GWFC Shield

Tegan Keevers, Kate Watson, Maggie Humphreys and Elena McConnachie, with Mayor Cheryl Shaztow, KMC.

Referees for the Vice President's Shield

Zac Matthews, Sumedh Padamawar, Nick Gongolidis and Nick Kour.

It is with pleasure I submit the PD&DC report for the 2016 season.

In the main this season was uneventful from a PD&DC perspective. However, as the statistics below show there was an interesting trend in player discipline with an decrease of 15.7% in send offs and an increase of 14.1% in cautions.

Whilst there was a marked reduction in the number of players sent off for R6 (Uses offensive, insulting or abusive language and or gestures) a major concern continues to be the abuse of match officials which saw many players receive suspensions of 4 matches or more. Rest assured the PD&DC will continue to take a hard stance on this offence by any player, team official or spectator found guilty of abusing match officials.

Unfortunately this season we did have one very serious matter of a player attempting to strike a referee. This resulted in a very lengthy suspension being issued by PD&DC, which was subsequently reduced on appeal & is currently subject to a further appeal at Football NSW.

I ask everyone to remember, that match officials are there for the same reason as everyone else, to enjoy themselves by being involved in a game of football. They are not there for everyone else to take out their frustrations on.

One disappointing aspect is the number of players who fail to appear at PD&DC after having been sent from the field of play, primarily due to a lack of knowledge of the PD&DC Regulations.

2016 Season Statistics

	2016	2015	2014	2013	2012
Send Offs	178	205	182	229	173
Cautions	2256	1975	1784	2134	1846
4 Yellow Suspensions	60	22	39	82	53
6 Yellow Suspensions	6	8	2	12	5
7 Yellow Suspensions	1	1	0	6	0

I urge all Club Executive members and Team Managers to make themselves fully conversant with these prior to the start of next season so they are aware of when a player is required to appear or not.

Fortunately there were very few late nights this season and I would like to express my sincere gratitude to this season's committee members, Edwina Robinson, Chris Hemming, John Bradfield, Penny Howell, Paul O'Donnell, Murray Hutton, Peter Thomsett, Dave Kirley, Peter Gregory & Alex Rusten (KDFRA Delegate), for their time & efforts on Wednesday nights. Your contributions were greatly appreciated.

As can be seen, the number of committee members is small and it would be advantageous to increase this pool to reduce the number of meetings each member needs to attend during a season. If any club members (particularly from middle and southern clubs) are interested in joining the committee in 2017 please feel free to contact me via by e-mail (**pd@nsfa.asn.au**).

Finally, many thanks also to the office staff, particularly Damian, for their support and assistance. It too was greatly appreciated.

Alan Clarke
Chairman PD&DC

Technical Director's Report

It has been another productive 12 months in NSFA for coach and player development, with NSFA continuing to be a leading association in terms of the quantity and quality of development opportunities on offer. While the association controlled programs are continuing to evolve and perform strongly, proactive local clubs are complementing this with their own coach and player development strategies that are taking community football to the next level. Having six teams from NSFA reaching the final of the FNSW Champion of Champions this year, the most teams from one association, provides some evidence of our strength.

Community Football

Coach Education

Coach education provides the foundation for player development, better players' results in better football, leading to a stronger football culture. Clubs, parents and players are increasingly seeing the benefits of more educated coaches on our training fields, from U6s up to the seniors.

NSFA recognise the importance of coach education in growing the game and improving the player experience, NSFA have displayed its commitment to investing in coach education by making the community coach education courses free to active NSFA coaches.

In NSFA coach education is delivered formally via accredited FFA community coach education courses, a number of NSFA clubs support this process by having their own in house Grassroots Certificate presenters. For the third year in succession we have also hosted an Advanced C Licence course, allowing local coaches to undertake a higher level of coach education, promoting coach development opportunities.

More informal coach learning opportunities are also provided by FNSW run workshops hosted by NSFA clubs and by SAP team visits by local teams and coaches.

Thank you to Marcia Allman for her support, dedication and passion for coach education.

NSFA Football School

The NSFA Football School has had another year of growth in 2016, now in its 4th year of operation, making a positive impact on both player and coach development. The Football School is a training program (including Goalkeeper specific training) that aligns with the National Curriculum for community players aged U6 to U14.

The aim of the program is to provide an opportunity for community players to receive professional coaching, in addition to their club training, that is all year round operating in each of the four school terms. Girl's only groups with a female coach are also available. Venues are based in the southern, central and northern regions of the association.

Greg Beirne who headed up the coaching team for the Football School from day one left us in early 2016; we thank Greg for his significant contribution and passion for player development in NSFA. Eilidh Mackay seamlessly stepped up to take on the Head Coach role with as much passion, energy and professionalism.

NSFA School Holiday Clinics

School holiday clinics cater for all community players (boys and girls) from U6 to U14, with a joint focus on fun and development. The holiday clinic coaches are all accredited coaches, most of which are either Northern Tigers coaching staff or players. Girls have the choice to attend the mixed clinics or Girls only holiday clinics with exclusively female coaches. Specific goalkeeper coaching is provided at the holiday clinics for goalkeepers wanting to hone their craft, but also for players wanting to try goalkeeping for the first time.

Thank you to Eilidh Mackay for running a successful program that has the dual purpose of developing young players but also developing young coaches.

Representative Football Skill Acquisition Program (SAP – U9/U10/U11/U12)

SAP forms part of the FNSW official pathway for talented local players and coaches. In 2016 NSFA doubled the development opportunities in these age groups by running a Northern Tigers SAP licence and a NSFA Lions SAP licence to cater for the growing demand for this level of development. In addition to this a Girls Only SAP program was introduced in the U10 and U12 age groups, with Northern Tigers entering teams. Almost 180 players were engaged in the SAP environment under the NSFA development umbrella, providing a great foundation for the future.

There is a commitment to complying with the National Curriculum guidelines in terms of coach qualifications, training practices and playing style to achieve the best development outcomes for the players. FNSW actively monitor compliance by attending training sessions and match days. In addition to training and games other development opportunities throughout the season included FNSW Gala Days, combined training sessions with local club teams, training game with the Sydney FC Academy, end of season games in Canberra, and finally a successful trip to Japan to experience training with and playing against J League Academy teams. Thank you to all the coaches, players, parents, and local clubs who supported the program.

Regional Conference (U13/U13/U14/U16)

NSFA entered teams in the FNSW Regional Conference competition again in 2016, representative teams selected from boys registered with NSFA clubs. These players continued to play with their Club team as well as participate in the Regional Conference competition. Regional Conference bridges the gap between the National Premier League football (Northern Tigers FC) and Division 1 Club football. It provides these players and coaches with an additional challenge and a further development opportunity; players are also invited to train with Northern Tigers during the season.

All teams performed well, with the highlight being the U13s who narrowly finished 2nd behind a strong Riverina regional team. Brendan Dalton (Head Coach) and the Regional Conference coaching team did a great job in contributing to the player's development.

FNSW State Titles

A number of Northern Suburbs players and coaches were successful in being selected to represent Met Far North at the FNSW State Titles held in July and September – both boys and girls teams, ranging from U12 to U15s. The State Titles provide another development opportunity for local players and coaches. The teams are drawn from players residing within the NSFA and Central Coast Football boundaries.

National Premier League – Northern Tigers FC

The vision for Northern Tigers FC is to develop better players for tomorrow. The quality of the Northern Tigers FC programs across both the male and female arms of the club, and all ages, continues to improve. Northern Tigers FC provide a pathway for local players to reach the highest levels of the game.

This season the boys played in the challenging National Premier League 1 competition, playing against the A League Academies from Sydney FC and Western Sydney Wanderers. Our boys were outstanding, with the highlight being the U16 Boys who finished 2nd.

The Northern Tigers females had a golden year, with all five teams making it to Grand Final day, and winning the club championship to be promoted to the National Premier League 1 for women in 2017.

This is a great reward for the players and coaches after years of development with a long term focus.

Jason Eagar Technical Director

FNSW State Titles U12 with coach Steve Piggott.

Northern Tigers Football Report

Develop better players for tomorrow

The Club vision to develop better players for tomorrow embodies a holistic approach that seeks to reach beyond football but to also play a part in developing people.

The football landscape changed in 2016 with the introduction of a flat competition structure for the youth, and the introduction of A League clubs Sydney FC and Western Sydney Wanderers in both the youth and the seniors. As a club we looked forward to the challenges that would lie ahead, giving the players, coaches and Club an opportunity to test ourselves at a higher level. While remaining true to our philosophy the Club has had a successful season, very competitive across all age groups.

2016 saw the introduction of NSFA SAP, joining Northern Tigers SAP as the associations' primary development programs for U9 to U12 players. Having two SAP licences essentially doubled our capacity to develop players for Northern Tigers well into the future; it also serves as a great opportunity for senior players in the Club to be engaged coaching the future Tigers. After 4 years in SAP it will be very satisfying to see the U12 players progress into the Northern Tigers U13s in 2017 and start their youth football journey.

The Boys Youth (U13 to U16) have played some excellent football in 2016; as a Club we should be very proud of our performances across the season. The U13s have developed well, with some outstanding performances against the best teams in the competition (the better the opposition the better the U13s perform). The U14s had a strong start to the season, a mid-season slumber, and then finished the season flying. The performance against Sydney FC was certainly one highlight. The U15s have shown when they are on they can match it with any team in the competition.

The U16s squad have again set the standard for the Club in a number of areas, a first class team ethic where the team's performances are the result of their hard work on the training pitch.

The senior men (U18 to 1st Grade) have once again performed strongly with positive results. A dynamic U18s team finished the season in 3rd place (only behind Sydney FC and Western Sydney), the majority of this team have progressed through the Northern Tigers youth system. The U20s had a slow start to the season, once the side settled they stormed home with some entertaining football to finish in 4th place (only 3 points behind Western Sydney who finished 2nd). The 1st Grade mens' team started the season well, a number of early season injuries disrupted momentum seeing them finish just outside the finals series.

The Northern Tigers Women's arm of the club deserves a special mention, having this year from U13 to First Grade, finished 3rd, 1st, 1st, 1st and 2nd respectively, with the Reserve Grade team undefeated. All five teams made the Grand Finals with U13, U15 and First Grade being crowned Champions.

Importantly our Women took out the Club Championship by a clear margin, 41% ahead of their nearest rival which means that next year they will be enjoying NPL 1 Football.

Thank you to the NSFA Board for continued support and I would like to congratulate Jason and his team of dedicated, hard-working and committed Coaches, who remain some of the best qualified Coaches in FNSW competition.

Well done to all the players for the effort, dedication, skill, passion, and sportsmanship you displayed this season.

Paul Stickland
Chair – Northern Tigers

Luke Dawson

In May of 2016 at Plum Park Lisarow Northern Tigers player Luke Dawson played his 100th First Grade match for the Tigers in the Football NSW NPL2 competition. Luke started his football career in the Under 6s and then Under 7s at Bannockburn Rovers. He then joined Kissing Point where he played for the next 3 years. His family then moved to Queensland where Luke continued playing football at Coomera FC and Runaway Bay FC before returning to Sydney to join older brother Sam at Kissing Point in 2004. Luke played in Kissing Point's Premier League team from 2004 to 2009, helping the club to win the NSFA Cup in 2009.

In 2010 Luke decided to try out for Northern Tigers. Despite Luke never having played representative football previously at any level coach Jason Eagar was impressed and signed him up. Luke spent a lot of that first season as an over-age player in Under 20s but did manage 11 appearances in First Grade, including in the 4-0 Grand Final win over St George FC. Luke was used mainly as a right back in his first season but in 2011 he was moved into the midfield where he was much more comfortable, going on to make 20 First Grade appearances.

In 2012 Luke was released back to Kissing Point after 7 matches for personal reasons. After spending the rest of 2012 and all of 2013 at Kissing Point Luke returned to the Tigers in 2014. Since returning Luke has been a permanent fixture in the midfield and has missed just 1 match in 2 and a half seasons. Luke has scored 11 goals in his 99 games to date, including the winner last Saturday night at Fraser Park. He will always be remembered for 2 goals in particular: a stunning strike at Mills Park for his debut goal for the club and an audacious lob at Bankstown City in 2014. That goal was so good that Bankstown goalkeeper Matt Nemes joined the Tigers in 2015 just so he wouldn't have to play against him!

Luke is now very much a senior member of this team. He is currently the on-field captain in the absence of regular club captain Michael Rolston and has taken over the role of "collector-of-fines", a role he has approached with the zeal of a tax inspector. Luke is very popular with team mates and coaching and management staff alike and has been a great club man. Luke joins a group of very good footballers in the "100-game" club and he thoroughly deserves his place in that company.

Luke Dawson.

In Memory

2016 saw the loss of 3 very important members of the NSFA "family". St Ives FC were particularly affected by these losses as all three had a strong connection to the club and coupled with the loss of Emin Rufati in April 2015 it has been a difficult 18 months for St Ives club and its committee and members.

Phil Rees

Charles Tiedt

PHIL REES

In September news came through of the passing of Life Member and former President of KDSA Phil Rees. Phil was the second-longest serving President of the KDSA and during his tenure he paved the way for the incorporation of the Association and the employment of a full-time administrator. Phil himself acted as the unpaid administrator for a number of years which no doubt convinced him of the need to employ someone in the role!

Before becoming President Phil served the KDSA as a Representative coach and then as Rep Convenor and Senior Vice-President. Phil was also Secretary of St Ives FC from 1976 to 1979 and then President from 1980 to 1984, and was the first person to be awarded Life Membership of the club. His legacy to the club was the original clubhouse at Warrimoo, (now superseded by a beautiful new structure), a venue that hosted many KDSA AGMs over the years.

Like any good leader Phil could polarise opinion but there is no questioning his devotion and contribution to the association, his club and football in the area in his 25 years of service. He was single-minded and very passionate about "Ku-ring-gai" but at the same time he was a very funny man with a wry sense of humour.

Phil is a very significant figure in our history and he will be sorely missed. Our thoughts go out to Jan, David and Tim, and their families, for their loss.

CHARLES TIEDT

In May we were rocked by the sudden death of popular referee Charles Tiedt during a match he was refereeing. About five minutes into a Men's All Age Division Two Reserve Grade match at Asquith Oval Charles collapsed and despite the efforts of 5 members of Asquith Soccer Club and paramedics Charles was unable to be revived.

Charles had been refereeing in NSFA since 2006 in both winter and summer competitions and had racked up an impressive number of matches in that time. Charles could appear stern and brusque at times but he was also friendly and approachable and clearly enjoyed refereeing immensely. Charles was a great mentor for a lot of young referees and it is clear from the tributes paid to him by fellow KDFRA members he was extremely well liked and respected.

Charles' connection to St Ives FC was through his sons Andrew and Nick. Charles coached a number of the current St Ives Men's All Age 2 players as Under 16s and Nick was a member of that squad up until moving overseas in the last year or so.

Our thoughts go out to Jeanette, Andrew and Nick, and families, for their loss.

GARY ISRAELSOHN

On July 30 Gary, coach of the St Ives Girls' Under 14A team, suffered a heart attack while cycling. Gary was placed into an induced coma but sadly failed to recover and passed away in hospital about five days later.

Gary's daughter Zancha was a member of the team and his other daughter Pazra was a member of the Girls' Under 18As. Gary's death was obviously a shock to the team but with the support of the club and the other parents they bravely carried on and completed the season, winning the Division 3 premiership.

Gary's name will live on in the form of a perpetual trophy named after him which the club will award for coaching achievement. Naturally enough the first winner was Gary Israelsohn.

Our thoughts go to Gary's wife Belinda and his aforementioned daughters for their tragic loss.

From the Competition Department

Damian Miles

There were a number of changes made to competitions and MiniRoos this season.

The largest and most significant of these was the conversion of Girl's Under 12s to MiniRoos-sized fields and rules. An Under 13 Sunday competition was introduced and the Women's Masters competition moved to a stand-alone Over 45s competition.

The lowest 3 divisions of Men's Over 35s went from squads to single teams, a move that saw a number of teams changing to Over 45s. The majority of these changes did lead to increases in player numbers although the change to Girl's Under 12s had no effect either way on numbers in that age group.

Season 2016 saw another increase in the number of registered players playing Winter football in NSFA. After the association record was set in 2015 with 16,298 players an increase of 1.6% saw the record bettered in 2016, reaching 16,561. Of these 23% were female, up from 21% in 2015.

Naturally therefore female competitions showed by far the greatest increase in participation this year. Senior Women's football increased by 14% on last year, with a record 1045 players across All Age, Over 35s and Over 45s and Over 30's 6-a-side. Girls' competition numbers increased by 12% although MiniRoos numbers dropped by about 3%.

Two well-known clubs disappeared from the landscape in 2016. Northside Monash sadly folded after 36 seasons. The club went through a number of name changes over the years; starting as North Shore Maccabi and then becoming Maccabi, then Maccabi Northside and finally Northside Monash. The club won 17 first division titles during their existence with their greatest achievement occurring in 1994 when they won the Under 10 Champion of Champions.

The other name to go was that of Clarke Road. Formed in 1980 to afford students at Barker College who played Rugby on Saturday mornings the opportunity to play football as well.

The club won 11 first division titles and their greatest achievement was also winning a Champion of Champions title; Under 15s in 1998. In 2008 the club merged with Bannockburn to form Bannockburn Clarke Road FC but unfortunately the name was dropped from the name in 2015. Both clubs made significant contributions over the years and it is sad to see them gone.

The competition department consisted of Rani Cavaretta as the Competitions Coordinator and Paul Orgad as the Grounds Officer. Rani was mainly responsible for running the MiniRoos and Girls' Women's competitions this year and brought with her a lot of fresh ideas to the role. Rani has now taken up a full-time role as Women's Development Officer so we are now on the lookout for a replacement. The time has come for this role to become a full time one so that we can continue improving our level of service to our members. Paul continues to come up with better ways to manage our use of the grounds we have access to and lobbying for improvements and applying for grants to help achieve these improvements. My thanks go to Rani and Paul for their efforts and great work this year and helping to take a lot of pressure off my job.

I shall finish by saying that we have achieved a lot in the last 2 years to improve the way we deliver the competition experience but there is much more we can do to get even better. With the employment of greater resources next year, I am confident we can make the experience much more enjoyable and stress-free for our volunteer club administrators.

Damian Miles
Competitions Manager
