NSFA Canteen & BBQ Policy

These regulations are issued in the interests of safety and risk management in the operation of canteens, canteen work areas and barbeques as well as the safety and duty of care of staff and volunteers who work in the Club canteens and BBQ'S.

The following regulations apply to all NSFA clubs.

- Persons working at a BBQ or in Canteen must be 16 years of age or over.
- Entry to Canteen work areas is restricted to persons aged 16 years and over.

All councils now require that all electrical appliances must be tested and tagged in accordance with Australian Standard AS/NZS 3760:2001 by a competent person.
It is recommended that this be done once a year.
