President's Report

Ian Plant presenting the President's Shield to the captain of Berowra FC.

As we celebrate our 60th year, it is worth reflecting on just how far we have come as an Association and to look ahead to where we are aiming to go.

In the first year the Association (the KDSA) started with seven clubs and just seven teams. We ran one competition, the Under 12 age group. There were no girls playing football and the total assets of the association were £17, including just £6 in cash. No one could argue that we have come a very long way since then!

This year over 16,000 players took part in the NSFA winter competition alone – and, of course, we have a very successful summer football season too. The Association is now made up of 31 clubs, and around 1250 teams. We put on nearly 5000 competition games in the winter competitions alone (including Cup and Shield games), plus the thousands of miniroos non-competition games for Under 6-11. This included over 1100 games played in girls' and women's competitions.

In terms of NSFA representative football, our Tigers women and girls competed in the NPL1 this year after securing promotion from the second division last year.

We are proud of their achievement in getting to that level and competing with the best clubs in the state.

The Tigers men's teams finished second in the NPL2 club championship this year, a great achievement too. Over the past 60 years NSFA (KDSA) clubs have represented us with distinction in State Cup and Champion of Champion tournaments as well as other out of district tournaments, such as the Kanga Cup. We are an active part of the worldwide phenomenon that is football.

As we look to the future, the Board has developed *Towards 2020: NSFA Strategic Plan*. If you haven't read *Towards 2020* yet I urge you to do so: you will find it on the NSFA website, the direct link is <http://nsfa.asn.au/the-association/strategic-plan/>

Our four pillars of success, Community Football Experience, Facilities, Pathways, and Creativity & Innovation, in combination shape our vision for the future of football in our Association. We are working proactively to improve facilities across all local government areas in our Association and develop a home of football that we can all share. We are building pathways to allow both players and coaches the opportunity to develop towards representative football. We are particularly excited for the future of women's and girls' representative football with the signing this year of a former Matilda's player Servet Uzunlar who will also join the Tigers' coaching staff. This is evidence of our commitment to providing a pathway for our juniors to progress from grassroots football to the highest level of representative football while remaining within their local area.

We are also working to build the best football experience we can for all the players and officials in our Association. Grassroots football is the lifeblood of the Association and we have a strong focus on supporting our member clubs.

In particular, we are looking to offer greater support to the wonderful and hard-working club volunteers without whom community football just would not happen.

2017 saw a number of innovations in the Association that were aligned with our *Strategic Plan*: the Respect Campaign; the defibrillator support package, the promotion of girls' football with the Skellern Cup; the INSPIRE program to support our community coaches; the XLR8 coaching program to make professional coaching resources available to our junior players and better integrate the professional expertise of the Tigers across our member clubs and players; the provision of new scholarships to encourage and improve the technical knowledge of our club coaches; active support for our member clubs and local Councils to improve facilities; and we have developed positive communication channels with our member clubs and the KDFRA.

We finish our 60th year with the Association in a sound financial position and with much to look forward to as we work together towards our vision for the future. I would like to thank Malcolm Waldoock and the NSFA staff for their time and commitment this year. After just one year in the CEO role, Malcolm has made a positive impact on the professionalism of the NSFA and worked closely with the Board to meet its goals. The new logo and the new website are just two visible representations of the advances made by the NSFA office this year. I would also like to express profound thanks to the Board itself. All the members are hard-working and committed volunteers who have worked together as a strong and cohesive team to ensure that we realise the vision we share, and that *'our community experience the joy of Football'*.

Dr Ian Plant

Chair: NSFA Board of Directors

Chief Executive Officer's Report

Malcolm Waldock

16386 participants played the beautiful game in our 2017 Winter Competition. A further 2100 are playing Summer Football making the NSFA one of the largest sporting associations in Australia. It is a great responsibility and one that the NSFA Board and staff take very seriously.

2017 was a year of new directions. The new NSFA Board set about creating a strategic framework to guide the association over the next three years. Our *"Four Pillars of Success"* provide absolute clarity about what is important to the association between now and 2020. A focus on continuously improving *"The Community Football Experience"*, striving for *"Facilities"* improvements large and small, offering first class and highly regarded *"Pathways"* for coaches and players, and having *"Creativity and Innovation"* at the forefront of everything we do will leave an outstanding foundation for future generations of footballers on the North Shore of Sydney.

I would personally like to thank the NSFA Board for their outstanding levels of commitment, professionalism, governance and support throughout the course of the last 12 months.

Having come from a club background I know very well that it is the volunteers in our local clubs that are the lifeblood of our association. Dressing fields, grading teams, coaching, managing, registering, and raising funds are just some of the activities that do not happen without a spirit of generosity and selflessness that make sporting clubs such a wonderful part of the community fabric. Thank you to every volunteer who simply "made it happen" in 2017. Your efforts are appreciated by more than you know.

In the pantheon of volunteers there have been none more committed than Mark Bryant. Sadly and somewhat suddenly, the NSFA community lost one of its brightest characters and hardest workers in August of this year. Mark was President of the Lane Cove West football club for 30+ years and also served tirelessly on NSFA Committees. He was the original driving force behind the development of over age football in our association and all Over 35s and Over 45s players owe him a great debt. Worth more than his achievements are the number of friendships. Mark will be missed by many.

There are well over 125 separate sponsors across our 31 clubs. Our sponsors provide much needed funds and other resources to keep fees low, facilities upgraded and club uniforms refreshed. Thank you to every individual or business who supports our game at a community level. At an association level, I am grateful for the support of Auto One Waitara, Besteam Sports, Foundation IT, MiPet Insurance and Wahroonga Village Podiatry. Thank you for your contribution to the NSFA.

The support of our local councillors and state and federal politicians should also be acknowledged.

Whilst there were many positive stories in 2017, the support of Ku-ring-gai Council with the development of three new playing fields at NTRA and the upgrade to Koola Park has made a very significant difference to our intractable ground shortage problems. The support of State MP Alister Henskens, Member for Ku-ring-gai, in assisting the West Pymble Football Club in securing \$500k worth of funding for the synthetic upgrade of Norman Griffiths Oval is also a game changer. It steers us even closer to our strategic goal of having ten synthetic pitches in full operation by season 2021. Thank you Alister for your ongoing commitment to the sporting facilities debate.

When it comes to enabling our game to be played there can be no more significant contribution than that provided by our referees. The NSFA's relationship with the KDFRA is healthy and vibrant and I would like to thank Alan Woods and Dimitrios Gongolidis for their outstanding leadership throughout 2017. We will continue to work closely with the KDFRA to create an environment where we can attract, recruit, engage and retain a full complement of highly qualified referees every year.

I would like to thank and acknowledge all those who have served on the Men's, Girls and Women's, and Junior Football Committees. In 2018 we are piloting a new model of competition administration used by many other associations. For the time being this brings to an end the need for club volunteers to serve on these committees. Over the years many very dedicated NSFA members have freely given their time for the betterment of the association. I would like to thank each and every member for their generosity and selflessness.

There were many highlights during the year. On the field, the Northbridge Football Club continued their love affair with the State Cup pulling off another two victories in the G16 and MAA competitions. Our Tier One MAA and WAA competitions had their most exciting finish in years with West Pymble and Northbridge the respective winners. Many other competitions went down to the wire. Our Summer Football competition has grown by 30% year on year proving that our participation rates continue to dominate the Australian sporting landscape.

Off the field there were also exciting developments. This year we hired Ed Ferguson to take on the role of Community Football Manager. In less than twelve months he developed a coach support program called INSPIRE that finished the year with 250 NSFA community coaches as members.

He has also been instrumental in creating a player development program called XLR8 that is progressively being offered to NSFA clubs to ensure all players have access to high quality and professional coaches. To top it all off September saw the NSFA launch its inaugural Skellern Cup, a Primary School gala day for girl's teams that attracted 15 local schools and over 400 players.

In 2017 we also welcomed Adam Cloughton in competitions, Nick Amies in Digital and Social Media and Eilidh Mackay as our Representative Programs Manager. Along with Paul Orgad (Facilities), Damian Miles (Competitions), Marcia Allman (Administration), Jason Eagar (Technical Director) and Alan Clarke (Accountant), I would like to thank all staff for their high levels of commitment and passion for the NSFA cause.

Malcolm Waldock
Chief Executive Officer

FOUR PILLARS OF SUCCESS

The NSFA Board set about creating a strategic framework to guide the association over the next three years the "Four Pillars of Success" provide absolute clarity about what is important to the association between now and 2020.

Facilities Report

Paul Orgad

Drone aerial shot of Cammeray Oval.

(above): The new fencing at NTRA.
(below): Spectator car parking capable of accommodating 200 cars.

The past 12 months has resulted in a significant change to the facility landscape in NSFA. We now have access to arguably the best sporting precinct on the North Shore in the shape of North Turramurra Recreation Area (NTRA). The site includes three full sized fields (of which one is synthetic) and two natural turf. The opportunities for this unique site are many and our ambition to turn it into a genuine **"Home of Football"** remains; however, it will not be without its challenges.

The delay in car park construction meant limited access to all three fields and for most of the year NSFA shared an 80 space car park with the golf course whilst an additional 200 space car park was built. Thankfully the car park is now complete and was first used on a very successful NSFA Cup Day in early September. The amenities block was finished in February allowing Northern Tigers and NSFA Representative teams to play out of NTRA. All three fields will be available for training and competition next season meaning NSFA clubs will benefit from our increased access.

NSFA financed various ancillary items in order for NTRA to be Football NSW compliant. This highlights our commitment to the previously mentioned objective and lays the foundations for an eventual **Home of Football**. In fact NSFA made a number of facility related investments over the past 12 months including:

PROJECT	INVESTMENT
NTRA fencing	\$70,000
NTRA retractable net	\$28,500
NTRA team shelters	\$28,000
NTRA spectator seating	\$3,800
Charles Bean soft net	\$11,000
Charles Bean fencing	\$1,500
Bob Campbell surface	\$4,500
Total	\$147,300

Grants and Funding: NSFA will continue applying for various grant opportunities which are available. We encourage clubs and their members to better engage in this process as it has proven to be a successful method in accomplishing much needed upgrades. NSFA were successful in receiving just over \$11,000 this financial year. I have set an ambitious target of \$50,000 in 2018 but this will require greater collaboration between myself and our members. At the time of writing documentation is being prepared to assist with the above goal.

North Sydney: Earlier this year NSFA declared its support for a submission made by North Sydney United to extend the current DA at Cammeray Oval – specifically requesting an increase to the hours which the field could be hired. North Sydney were successful in their quest to gain access from 7am on weekdays, an additional 30 minutes on midweek evenings and an extra 3.5 hours on Saturday nights – providing NSFA with another night time venue. Council has included an upgrade to Waverton Park in its 2018 capital works program which will see new drainage, irrigation and turf installed and an upgrade to the existing floodlights

Willoughby Council: The long awaited redevelopment of Chatswood High School was finally completed in August. The Department of Education and Willoughby Council partnered to deliver a synthetic football field and hard asphalt courts catering for various activities. Whilst the timing of completion was somewhat unfortunate several NSFA clubs have already made use of the field by conducting some off-season training. This now represents the third synthetic site in the Willoughby LGA and with a fourth due in the near future (Gore Hill), I would like to acknowledge the contribution WCC is making to sport and the community through these facilities. However, Council are not stopping there.

The latest operational plan confirms a \$715,000 investment into both fields at Naremburn which will see renewal of the drainage and irrigation systems and a full replacement of the playing surface. The current timeline should see work starting in October with the field open for play by the 2018 season, weather permitting. Council has also confirmed it will install floodlights at Bicentennial Oval (Hallstrom Park) and Mowbray Public, further showing commitment to solving the shortage of training grounds in the area. Both of these projects are pending DA approval but Council are hopeful of completing the work by next season.

Lane Cove Council: Unfortunately NSFA had to relinquish some access to the synthetic fields at Blackman Park on a Sunday morning due to increasing demand by junior AFL in the area. As the field is the only full-sized AFL field in the LGA the decision was made to allow AFL sole access until 11.30am on a weekly basis. NSFA did however gain additional access to the synthetic fields on a Friday night which will become part of the *‘competition schedule’* moving forward. This will assist in resolving some of the access issues we experience which sees several men’s divisions participating in a Sunday rotation throughout the season.

Ku-ring-gai Council: Without doubt the biggest development in the past 12 months has been the opening and completion of NTRA. Council have overseen a number of other projects including Howson Oval which was once again available following its redevelopment in 2016 and the surface was excellent throughout the entire season. Koola Park received a similar upgrade and was also one of the best grass fields this season. Further work is scheduled which will include a new car park and landscaping at the Northern end of Koola.

Funding for converting Norman Griffiths to synthetic grass has finally been confirmed with West Pymble FC successful in receiving \$500,000 of State Government funding through the Category 3 Liquor and Gaming Infrastructure program. Council and NSFA are currently finalising the project design including site specific details before tender documents can be released. Primula Oval in Lindfield will be the beneficiary of a \$380,000 investment into improving the fencing and pathways and a much needed floodlight upgrade. Minor improvements to the amenities at Comenarra and George Christie are also included in the delivery plan ending June 2018.

Looking ahead Council have commissioned a study to determine whether water which drains off Warrimoo oval ends up in a nearby endangered upland swamp. The results of this study should be available early in the new year and this will govern the future possibility of the site being converted to synthetic turf.

GROUND CLOSURES IN 2017

Total number of days the following grounds were closed in the 2017 season:

- Castle Cove South – 13
- Castle Cove North – 10
- Norman Griffiths – 10
- Samuel King – 10

Cammeray hosted 245 games in 2017 – the most of any ground in NSFA.

Hornsby Council: Despite some tough times for Hornsby Shire Council in the past 12 months its support and investment into sporting facilities has continued. During last summer Council undertook a full replacement of the perimeter fence at Foxglove Oval. In total 264m linear metres of fencing was removed and new black chain wire fencing installed. The field was also closed for several months at the start of 2017 while surface improvements were made. Upgrades to several parts of Asquith Oval were finished earlier this year including new parking along Mills Ave.

Heading into 2018 the floodlights at both James Park and Little Warrina St will receive much needed improvement, as will the surface at Berowra Oval following years of extensive use. NSFA are hoping to install a synthetic field north of Turramurra and we have commenced discussions with Council as it will alleviate some of the access issues we experience from September to March.

I would like to take this opportunity to acknowledge the contribution each of our 5 Councils have made over the past 12 months and particularly express my gratitude to Alister Henskens, State Member for Ku-ring-gai who has supported the Norman Griffiths project for many years. I look forward to working with all of our stakeholders to further develop our facilities.

Paul Orgad
Facilities Manager

(below): New perimeter fence and improved drainage/playing surface at Foxglove Oval.

Communications Report

Nick Amies

(above): A cross section of games featured in NSFA's website and Facebook pages.

Since commencing work with NSFA in March this year, 2017 has seen massive changes made to how NSFA delivers information to its members, most notably in the form of new websites for the association itself and Northern Tigers FC.

Built on Wordpress, the two websites will allow our members to access the information they need anywhere, thanks to both sites being mobile-compatible. For those of you who have been stuck trying to view fixtures while out on the road this will be a massive help!

The year has also seen an ongoing improvement in the usage of our social media channels, in particular Facebook. With a NSFA Instagram account also now in use, we hope that in conjunction with email newsletters we can deliver important information to our members in a timely manner.

In terms of coverage, throughout the season we profiled some Local Legends – players, coaches, and volunteers that have made a notable contribution to football within our association. These interviews were published on the NSFA website and were received well on our newsletters and Facebook pages.

We also provided coverage of the winter football season, getting out to a variety of matches from different divisions and age groups and attending special club events. Covering three successive title deciders in the Men's Premier League, Men's O35-1's and Women's Division 1 certainly made for an exciting end to the season!

A well-received initiative from 2017 was the MiniRoos Player of the Week competition that was run on Facebook throughout the season. A MiniRoos-specific email newsletter was also sent to parents before the start of the season and its success makes a 2018 version a top priority.

With all of this in mind, the plan for 2018 is to provide more consistent and engaging content throughout the season, with a number of ideas already up for consideration.

Another area of focus for 2018 is assisting clubs with their online presence. Websites and social media continue to grow in importance and in order to retain our place as the number one grassroots sport we need to stay ahead of the curve.

Weekly coverage of the Men's Premier League and Women's All-Age Division 1 is one of the first items on the list, but also expanding the number and variety of local stories is a must. There is a multitude of incredible stories out at the grounds every weekend and we want to share them with the entire association. If you have a story within your club or team that is worth sharing, get in touch!

Nick Amies

Digital and Social Media Officer

Junior Mixed Football Report

This year the Association had nearly 1,500 registered volunteers that ensured the junior mixed teams were organised at the beginning and every match during the season. Without the team Coaches, Managers, Age Convenors, Club Committee members and Junior Football Committee members, the close to 10,000 children would be without the sport they love so dearly.

Of these 1,500 volunteers, 10% took on two or more registered team based roles. To lessen the work load on the few, I encourage more parents to get involved and enjoy the sense of satisfaction and community that volunteering gives you. A worthy starting point is to attend a free 3 hour MiniRoos Course. This small investment in time demonstrates how easy it is to get involved in the game, whether it is coaching, managing, being a game leader, referee or an encouraging spectator.

On Courses, there are Skills Training (Under 9 to Under 13) and Game Training (Under 14 to Under 18) Courses scheduled during the off season so as to prepare for the new Season ahead. Please improve your coaching skill by taking these age appropriate Courses.

Despite the success for the trial of a Sunday Under 13 competition in 2016, unfortunately we could not get enough teams to make neither a U13 or U14 Sunday based competition in 2017.

The Under 12s are a challenging age group to get the competition as even as possible. We ran two weeks of trials at the beginning of the season to help with the creation of the Under 12 Divisions. This process reduced the need for divisional changes throughout the season.

That brings me to competition divisional changes. For the integrity of a competition, the Committee will only move teams between divisions during the season if there is a compelling case to do so. One move of a team can have a knock-on effect on up to another 15 teams.

This year saw an unprecedented number of moves between divisions. MiniRoos re-grading is performed periodically throughout the season by an automated methodology that was implemented numerous years ago by Dale Catzel (Junior Chair 2009/2010). A quantitative analysis of the MiniRoos re-grading efficiency was undertaken during the year. It was found that the methodology does work to improve and minimise the goal difference between teams as the season progresses.

I would like to recognise the tireless and diligent work of the NSFA Office, without the super human efforts of Damian Miles, Marcia Allman, Adam Cloughton and Paul Orgad, we would not be able to enjoy more than 500 Junior Mixed Football matches each and every weekend during the season.

I would also like to thank the 2017 Junior Football Committee (JFC) members for their devotion in applying their depth of experience in overseeing Mixed Junior MiniRoos and Mixed Competition Football of the Association;

- **Martin Dickey** (Northbridge)
U6/7 Age Convener
- **Dion Tucker** (West Pymble)
U8/9 Age Convener
- **Jason Hughes** (Lindfield)
U10/11 Age Convener
- **Christine Freer** (Mount Colah)
U12 Age Convener
- **Hernan Reyes** (Prouille)
U13 Age Convener
- **Matthew Wall** (Hornsby RSL)
U14 Age Convener
- **Miles Townend** (Kissing point)
U15 Age Convener
- **Tony Kalogerou** (North Sydney)
U16 Age Convener
- **Tass Meli** (Berowra)
U18 Age Convener

Barry Thompson

Chair - Junior Mixed Football Committee

Men's Football Report

2017 was a sad year for the Senior Mixed Football Committee (SMFC). The SMFC witnessed the sad passing of long-term committee member Mark Bryant. In April Mark told the committee that he had been diagnosed with lung cancer but as we wished him well little did we know that Mark's cancer was already well advanced into secondary areas and by August his fight was over. Mark's motto was *"the more football, the better"*.

Mark was the driving force behind the growth of both the Over 35 and Over 45 competitions and had in recent years organised a number of Over 60 matches, possibly with a view to creating an Over 60 competition in the near future! Mark will be greatly missed by the Over Age Mixed football community and the members of this committee and his club Lane Cove West.

My thanks go to the Senior Mixed Committee members this year:

Roy Ashpole (PL and AA3)

Andrew Cummins (AA2)

Frank Hamersley (351)

Chris Wiseman (AA4)

Brian Hay (AA5)

John Humphreys (O35/2)

Ian Plant (O35/3)

Clive Solari (O45/1)

Jon Tatt (AA6).

I looked after O35/4 and O45/2). This team, together with Competitions Manager Damian Miles, formulated the divisions and managed all aspects related to the SMFC Competitions. The committee met monthly during the season and pre-season to ensure that all competitions are well structured.

During each season, we discuss many issues including re-scheduling games (luckily we only lost 1 week to rain this season), to adjudicate on matters regarding player eligibility, matches reported in dispute disposition of abandoned matches and to discuss changes to regulations and structure of the competitions.

The Board has determined to abolish the Football Committee system of managing competition football as of 2018. I would like to thank every person who is currently or has ever been a member of this committee over the many years of its existence and every club official, coach, team manager and player for their great contributions to Senior Mixed football. While this committee is very disappointed with the decision taken by the Board we wish the office staff all the best and remain willing to offer any assistance we can in the next 12 months.

1. Player Numbers – overall player numbers in all 3 age groups were up on last year, which brought numbers back to 2015 levels. Over 45 once again saw the biggest increase with a rise of 8% (Mark would be very pleased with that). Traditionally Men's football has experienced a spike in numbers in a World Cup year so here's hoping that Australia's name is on one of those ping-pong balls in the big glass bowls come December!

2. Player Age Profiles – the average age of an All Age Player was 25, of an Over 35 player was 42 and of an Over 45 player was 55. In All Age 5.2% of players are over 35, in Over 35 26% are over 45 and in Over 45 26% are over 55. The number of players aged Over 60 in this association is upwards of 120, which shows that our players are getting older on average every year, in line with the general population. This ageing will no doubt create many challenges for the Association in the years to come.

3. Grounds – unfortunately not all fixtures can be played on Saturday afternoons due to there being not enough grounds available. The committee scheduled up to 10 matches a week on Sundays in 2018. Matches were also played on Friday nights at Cammeray and Blackman and also on Saturday nights at a number of grounds. The continued growth of these opportunities may reduce the need to schedule matches on Sundays.

4. Promotion & Relegation – the 2 up/2 down principle was again in place in 2017. However, Northbridge Red, which finished 2nd in All Age 2 to Northbridge White, was unable to accept promotion to Premier League due to the “one team per club” rule in place in Premier League. The committee determined that Lane Cove, which finished second last in Premier League, would retain their place.

5. Midweek fixtures – thankfully we enjoyed great weather this season and there was little need to play matches in midweek. Playing matches in midweek is problematic as nearly all grounds are fully booked with training but my thanks go to North Sydney United club who allowed non-North Sydney teams to use Cammeray and Primrose for catch-up games and Cup games.

6. Referees – this season again we asked the clubs to nominate the required number of KDFRA qualified referees per squad and/or team and not just for the total required number. In 2017 NSFA overall had a coverage of 100% in PL and MAA2, was 86% for MAA3, 91% in MAA4, 82% in MAA5, and 69% in MAA6 (had fewest KDFRA officials in this division). For M351 it was 92%, M352 was 83%, M353 was 91% and M354 was 83%. In M451, it was 91%, M452 97% and M453 just 69%.

7. EMC Review – EMC continued to be a great success. However, small glitches have been identified and these will hopefully be rectified in 2018.

8. Division One Winners - West Pymble won their 3rd successive Premier League title after a see-saw battle with Lindfield and North Sydney United and St Michael's comfortably won Over 45 Division One for the second successive year. In the closest Over 35 Division One race in many years, Lindfield won the league in a dramatic last day for their first win since 2001.

9. Champion of Champions – at the time of writing, these three teams will be representing NSFA at the Football NSW Champion of Champions tournament.

10. State Cup – Northbridge White became just the second NSFA club to win the Bill Cullinan Cup (All Age State Cup) since Kissing Point in 2005. They did so in very dramatic fashion. Defeated in the original final but re-instated into the competition when their opponents were found to have played ineligible players in 2 earlier rounds they played a second final against a different opponent. This time they were victorious despite having a player sent off. It is believed, although not confirmed, that they may well be the first team from a second-tier Association competition to have won this title.

11. NSFA and Rick Close Cup – West Pymble triumphed in an exciting final against Northbridge Red by 4 goals to 1, although the match was closer than the score line might suggest. The Rick Close Cup was a hard-fought affair between North Sydney United and West Pymble which was eventually decided in North Sydney's favour by 2 goals to 0.

In Summary 2017 was a fantastic year. The Competition is still growing in player numbers and referee coverage is at an all-time high. We look forward to an even more prosperous 2018.

Nigel Lazarus

Girls/Women's Report

Sarah Jenkins

I always feel a little disappointed to find myself at the end of another football season, but it is encouraging to look back on 2017 and feel reassured that female football in the Northern Suburbs is as popular as ever. It's also a joy to finish the season with gala day and witness firsthand the competitive yet fun spirit of our players.

The Diamond League (DL) continues to be a great option for girls playing in our competition. Although, player numbers were slightly down this year due to the increase in girls playing SAP, the DL still provides a strong competitive environment. In addition, the requirement of twice a week training is clearly raising the skill level and development of the players.

In 2018, DL will be available in the following age groups G10, G12, G14 and G16. I am excited for the future of women's football in our association as these DL girls advance through the age groups.

Girls and women's football often finds itself at the mercy of its player numbers and 2017 was no different. The WAA and W35 competitions are great examples, where Division 1 sees three or four teams that are far more dominant. I congratulate these teams on their success. I would also like to acknowledge the other teams who struggle for results but show great determination and do so with good sportsmanship and no complaints.

This issue is also evident in some of the younger age groups. To address this in the long term, we need to focus on the depth of players in female football. As always, the Committee, the NSFA and local clubs are working tirelessly to increase participation rates in girls' football and also ensure that their footballing experience is a positive one.

This year, we have been very lucky to have Ed Ferguson from NSFA working diligently on the advancement of girls' football in our association.

Some significant highlights of that work are:

- NSFA Coaching Scholarship: Two of these scholarships were awarded to female coaches, Emily Brown of Lindfield FC and Hannah McNulty from Northern Tigers.
- NSFA supporting the Public Schools Sporting Association (PSSA): A new model for girl's PSSA football was introduced involving the girls playing a round robin of small sided games. A great experience for experienced and new players.
- NSFA Skellern Cup: A fantastic initiative that saw 27 teams from 15 schools participate in a two day event with the aim being to showcase footballs' inclusiveness and the enjoyment and camaraderie it can provide.

Congratulations to Northbridge G16s who won the 2017 State Cup, an outstanding result! At the time of writing, 6 NSFA teams were heading into the round of 16 in the Champion of Champions competition.

The very best of luck to Hornsby Heights G12, Northbridge G14, Northbridge G16, Hornsby Heights G18, North Sydney United WAA and Mt Colah W30.

Finally, I would like to thank the GWFC committee members:

Tineke Millard (Kissing Point) W35

Kristy McMillan (Berowra) WAA

Megan Bachelor (Northbridge) G18

Lynne Spencer (Greenwich) G16

Rob Fitzgerald (Greenwich) G14

Catherine Weinress (West Pymble) G12

and Diamond League

Michelle Cross (North Sydney)

I would also like to offer my sincere thanks to Adam Cloughton at NSFA who has been an invaluable source of support.

Sarah Jenkins

Summer 6-a-side Report

(above): Blackman Oval at Lane Cove.

(below): Overview of the North Turramurra Recreational Area NTRA).

The 2016/2017 Summer Football season saw 256 teams registered with 1856 players competing at 3 centres: Blackman Oval in Lane Cove, Mills Park in Asquith and Charles Bean Oval in Lindfield. The 2017/2018 season extended to us using NTRA – North Turramurra Recreational Area as the 3rd venue. It is hoped this centre will increase in participation over the next couple of years.

For the first time Blackman Oval hosted a Summer Football U8-U11 MiniRoos competition at Blackman Oval and the response has been fantastic. Between 5pm and 6pm each Tuesday 8 fields host a hive of activity with many of these teams registering again to play in the 2017 season. Summer Football is a great way to build on the teamwork already formed in the Winter Competition. We encourage more teams in this age group to join Summer Football, and to build on their teamwork and technical skills obtained during the Winter season. Summer Football is also a great introductory sport for those new to football.

During 2017 NSFA are using Electronic Match Cards. The process will enable a quicker response for entering of scores going forward.

NSFA sent the following teams to play in the FNSW Champion of Champions in December 2016. Whilst they did not come away with the Trophy, they all played admirably and made NSFA Summer Football proud. FNSW were very impressed with the standard and sportsmanship of our teams.

Men's Competition

NSFA 1 – EEWFC

NSFA 2 – RSL Pirates

NSFA 3 – PASA Stallions

There were no Women's entries in the 2016/2017 season as the teams were unavailable to play.

Due to the increase in the number of centres and a huge spike in the participation numbers, FNSW are hoping to expand the Summer Football Champion of Champions in 2017/2018 Season.

A very big 'Thankyou' must go to NSFA Ground controllers, John and Maggie Humphreys, Bryce Nielsen, Zac and Ben Sullivan, Gina Taouk, Brian Binfield and Cooper Thompson for their work during the 2016/2017 Season. NSFA are committed to ensure all Summer Football Centres have qualified ground controllers to assist team managers and players. An education program has been put in place at Blackman Oval to ensure all Ground controllers understand the value of promotion of this wonderful venture. This Season we have five new Ground Controllers going through the program.

NSFA would also like to acknowledge the KDFRA for coming on board for Summer Football. More than eighty referees are now registered with KDFRA for the 2017 Summer Football season. Thankyou to Alan Woods for his assistance, ensuring this combined project has been a great success.

NSFA would like to thank Mark Rushton for his contribution to NSFA (6aside) Summer Football for the past 12 years. In the last couple of years Mark has worked under extreme circumstances to ensure the Summer Football had a very good basis for the NSFA to continue to grow the sport. We wish Mark all the very best in his future endeavors.

The 2017 Summer Football season has delivered an increase in the number of teams and participants and we look forward to all Clubs participating in what is becoming a very popular, fun way, to encourage teamwork and keep Football thriving all year round.

We look forward to seeing you at a Summer Football Venue in 2018!

Adam Cloughton and Marcia Allman

NSFA Skellern Cup

(above): Neutral Bay Public School winners of the 2017 Skellern Cup for seniors.

(below): Artarmon Public School winners of the 2017 Skellern Cup for juniors.

(above): Kim and Amanda Skellern at the Cup presentation.

(below): Players from St Ives North Public School.

A cross section of the teams participating in the first Skellern Cup.

In September 2017 Northern Suburbs Football Association (NSFA) conducted the first ever NSFA Skellern Cup, a girls football tournament for primary schools across the northern suburbs region of Sydney.

Taking place at the new North Turramurra Recreation Area (NTRA) sports fields over two days, the NSFA Skellern Cup saw over 400 players, teachers and parents from 15 schools take part in what was a wonderful event filled with fun, friendship, good sportsmanship and, most importantly, football!

The competition trophies, one for junior teams (years 3 and 4) and one for senior teams (years 5 and 6), were awarded on a broad list of criteria that included positive encouragement of each other and opposition and exhibiting school spirit and good sportsmanship.

The Junior Cup was awarded to Artarmon Public School on Wednesday and the Senior Cup was awarded to Neutral Bay Public School on Thursday.

The NSFA Skellern Cup is named after Amanda and Kimberley Skellern, twin sisters who have played for Northern Tigers, the NSFA representative side, for the past nine years and started their football careers with local club West Pymble FC.

The event was also supported and attended by Football NSW and Sydney FC. Based on schools attendance and the overwhelming positive feedback from all involved, NSFA have committed to continuing the cup into the future and look forward to welcoming more schools and more girls to NTRA in 2018.

Full list of schools that attended: Artarmon, Beaumont Road, Castle Cove, Hornsby Heights, Hornsby North, Neutral Bay, Mount Colah, Ravenswood, Roseville, St Ives North, St. Thomas Willoughby, St. Mary's, Turramurra, Wahroonga Prep and West Pymble.

Please check the NSFA website or facebook page to watch the video.

PD & DC Report

KDFRA Referees for the 2017 NSFA Treasurers Shield: Dylan Brett, Max Couvert, Dean Gongolidis, Rowen Fisher.

(below): **KDFRA Referees for the 2017 NSFA Cup:** Jamie Ewin, Cameron Lee, Jared Katz, Nick Gongolidis.

It is with pleasure I submit the PD&DC report for the 2017 season.

The recently completed 2017 season was an interesting one for the PD&DC. Generally speaking, it was uneventful except for a few extraordinary matters that came before the committee. However, as the statistics below show there was an interesting trend in player discipline with an increase of 15.17% in send offs and a marginal increase in cautions.

Yet again, players & team officials abuse of match officials continues to be an area of concern. In my 50 plus years of involvement in the game, I don't recall once hearing a match official abuse a player or coach for a mistake they may have made (and yes they do make them in every match). Whilst week in and week out during the season we have people abusing match officials for, in their opinion, getting a decision incorrect.

It must stop. Otherwise, our already small pool of referees will diminish even further to the extent that very few matches will have referees appointed to them. It is up to everybody involved in a club or team to take positive action to eliminate this blight on our great game.

I assure you the PD&DC will maintain its strong stance of recent years in regards to anyone found guilty of this offence.

Please remember the game is for everyone to enjoy and is after all, particularly at local community level, only a game.

2017 Season Statistics

	2017	2016	2015	2014	2013
Send Offs	205	178	206	182	229
Cautions	2263	2256	1977	1784	2134
4 Yellow Suspensions	67	60	22	39	82
6 Yellow Suspensions	6	6	8	2	12
7 Yellow Suspensions	2	1	1	0	6

Another disappointing aspect is the number of players who fail to appear at PD&DC after having been sent from the field of play, primarily due to a lack of knowledge of the PD&DC Regulations. I urge all Club Executive members and Team Managers to make themselves fully conversant with these prior to the start of next season so they are aware of when a player is required to appear or not.

Fortunately there were only a few late nights this season and I would like to express my sincere gratitude to this season's committee members, Edwina Robinson, Penny Howell, Paul O'Donnell, Chris Hemming, Chris Rayner, Murray Hutton, Peter Thomsett, Dave Kirley, Peter Gregory and Alex Rusten (KDFRA Delegate), for their time and efforts on Wednesday nights. Your contributions were greatly appreciated.

Finally, many thanks also to the office staff, particularly Damian and Marcia, for their support and assistance. It too was greatly appreciated.

Yours in sport,

Alan Clarke
Chairman
NSFA PD&DC

Technical Director's Report

Jason Eagar

Coach and player development continues to be given a high priority in NSFA.

Developing better coaches and players at all levels of the game is critical for a healthy and vibrant football community. The NSFA football community is becoming more educated and aware of the benefits of quality coaching, with NSFA supporting this with the appointment Ed Ferguson as the Community Football Manager in early 2017.

Community Football

Coach Education

Coach education delivery in NSFA has evolved this year in an attempt to make coach education opportunities more accessible to all coaches and importantly potential new coaches. Coach education provides the foundation for player enjoyment and development; better players' leads to better football, leading to a stronger football culture. Coach education initiatives in 2017:

- **Community coach education courses:** Minirooms, Skill Training, Game Training, Senior, Goalkeeper Certificates
- **Advanced coach education –** C Licence course
- **Community Coach Workshops –** targeted sessions run at Clubs by the Community Football Manager, FNSW Workshops, Goalkeeper Workshop, J League Club Yokohama F Marions Workshop
- **Inspire –** online community and resource for NSFA coaches (blog, session content, video, research articles). Our mission is to better the footballing experience of both the coach and players by providing relevant, progressive and easy to digest content. Over 250 local coaches are Inspire members.
- **Coach Scholarships –** four local coaches awarded Coach Scholarships, which included funding their Advanced C Licence course fee and ongoing mentoring. An investment in local coaches for the benefit of local players and Clubs.

Thank you to all the coaches that engaged with a coach education event in 2017.

Ed Ferguson has made a significant impact in a short period to increase the opportunities for coach development; his local knowledge, passion, and energy will benefit the NSFA coaching community for a long time to come. Thank you to Nick Amies for his video production to bring content to life.

NSFA Football School

The NSFA Football School is in its 5th year of operation, playing a key role in both player and coach development. The Football School is a training program (including Goalkeeper specific training) aligning with the National Curriculum for community players aged U6 to U14 of all levels. The aim of the program is to provide an opportunity for all community players to receive professional coaching in addition to their club training. The Football School operates all year round following each of the four school terms at venues across the association.

Thank you to all the NSFA Football School coaches, and their mentor and Head Coach Eilidh Mackay for running a professional program.

NSFA School Holiday Clinics

School holiday clinics cater for all community players (boys and girls) from U6 to U14, with a joint focus on fun and development. The holiday clinic coaches are all accredited coaches, most of which are either Northern Tigers coaching staff or players. Girls have the choice to attend the mixed clinics or Girls only holiday clinics with exclusively female coaches. Specific goalkeeper coaching is provided at the holiday clinics for goalkeepers wanting hone their craft, but also for players wanting to try goalkeeping for the first time. Holiday clinics operate out of two venues: Charles Bean Oval and North Turrumurra Recreation Area.

Youth development coaches from J League Club Yokohama F Marions ran a three-day clinic in the July School Holiday period exclusively for NSFA.

Thank you again to Eilidh Mackay for running a successful program that has the dual purpose of developing young players in a fun environment; while also developing young coaches.

Representative Football Skill Acquisition Program (SAP – U9/U10/U11/U12)

SAP forms part of the FNSW official pathway for talented local players and coaches. Under the NSFA umbrella, we operate two mixed SAP licences – Northern Tigers and Northern Lions. In addition to this, a Girls Only SAP program operates in the U10 and U12 age groups as Northern Tigers. Almost 180 players are engaged in the SAP environment, training three times a week plus a weekend game for almost 40 weeks a year. Setting the players up with a great foundation for the future.

There is a commitment to complying with the National Curriculum guidelines in terms of coach qualifications, training practices, and playing style to achieve age specific development outcomes for the players. FNSW actively monitor compliance by attending training sessions and match days. In addition to training and games, other development opportunities throughout the season include FNSW Gala Days, combined training sessions with the Tigers and Lions licences, and an overseas tour for the U12 age group to Japan to experience training with and playing against J League Academy teams. Thank you to all the coaches, players, parents, and local clubs for supporting this program.

The SAP coaches do a great job as educators and mentors, thank you to Ed Ferguson and Oliver Stickland for your dedication to SAP; and to the support from the team managers, and League Managers Gregg du Plessis and Lisa Carmichael.

Association Youth League (U13/U14/U15/U16)

NSFA entered teams in the FNSW Association Youth League (AYL) competition in 2017, representative teams selected from boys residing in the NSFA region. Providing these players and coaches with an additional challenge and a further development opportunity. Thank you to Brendan Dalton (Head Coach) and Emma Hunt (League Manager) for their significant contribution to the program.

FNSW State Titles

A number of Northern Suburbs players and coaches were successful in being selected to represent Met Far North at the FNSW State Titles held in July and September – both boys and girls teams, ranging from U12 to U15s. The State Titles provide another development opportunity for local players and coaches. The teams are drawn from players residing within the NSFA and Central Coast Football boundaries.

National Premier League (NPL) – Northern Tigers FC

Northern Tigers FC provide a pathway for local players to reach the highest levels of the game. The vision for Northern Tigers FC is to develop better players for tomorrow.

The Youth Boys (U13 to U16) compete in the NPL 1 competition, playing against the A League Academies from Sydney FC and Western Sydney Wanderers. The Men compete in the NPL 2 competition, with the U18s, U20s and 1st Grade teams all making finals appearances. The Northern Tigers females participated in the NPL 1 competition for the first time in a few years, this level of competition was a wonderful challenge that they can build on in 2018.

2018

Planning for 2018 is well advanced with exciting improvements to occur in the player and coach development fields, in both the community and representative environments, to ensure NSFA continues to provide local players and coaches with opportunities to take advantage of their potential and continue to enjoy football.

Jason Eagar
Technical Director

Northern Tigers Football Report

At the beginning of 2017, Paul Stickland resigned from his position both as an NSFA board member and as Chair of the Northern Tigers. Paul inherited the role at a difficult time and his dedication to the position has enabled a much more secure foundation from which the Northern Tigers can prosper in the future. One of his most significant achievements was to create a level of financial responsibility and accountability that will this year see the Northern Tigers arrive at a better than NSFA Board budgeted position for the 7th consecutive year. Of course, his achievements go far beyond a bottom line and his leadership, vision and hands-on attitude will be sorely missed.

Northern Tigers Football Club is a development-focussed football club that seeks to develop better players for tomorrow. As part of the NSFA's strategic planning process in 2017, the NSFA is now committed to seeing that development philosophy manifest itself through having both our Senior Men and Senior Women's programs participating in NPL 1. This would mean that no footballer residing in the NSFA Boundaries would need to leave our district to pursue their football ambition, until they are selected for the domestic A League or W League competitions (or beyond).

Ambition such as this is a great starting point but many things must come together to realise these aspirations. Fortunately the Tigers are very capably led by Technical Director Jason Eagar. Under Jason's stewardship, all levels of our representative programs have continued to improve year on year to the point where they are held in universal high regard across the FNSW community.

In 2017, our Tigers Girls and Women stepped up to the first tier. They were competitive all year and benefitted enormously from the experience of competing at the highest level week in week out.

Much credit to Pat O'Sullivan who has been the driving force behind the Girls/Women's program at Tigers for many years. Pat stood down as First Grade coach at the end of the year but will continue to be involved with the club in a development capacity.

With the security of another year in NPL 1, we have signed Western Sydney Wanderers W League Coach Rich Byrne to oversee our senior campaign for 2018. In other exciting news, we have also confirmed the signing of ex Matilda Servet Uzunlar in both a playing and coaching capacity. The experience offered by Rich and Servet will assist greatly in realising the potential of an incredibly exciting crop of local juniors champing at the bit to test themselves against the best that NSW has to offer. Our Senior Men's teams once again took their place in the NPL 2 competition. All three teams made finals with our Under 20s playing off in the Grand Final after winning the premiership some weeks earlier. Whilst the Grand Final did not go their way, the opportunity of playing on the big stage in September will stand all the players in good stead. A big congratulations to Nick Kalogerou who was recently awarded the NPL 2 Under 20s Player of the Year Award. Considering the calibre of competition this is a special achievement.

Consistency across all three grades resulted in a highly credible 2nd place finish in the Club Championship. Only Marconi secured more championship points across the 2017 season although a highlight of the year was an impressive 5-2 victory over Marconi on a perfect autumn evening at NTRA.

Our SAP, AYL and Youth teams all had promising seasons. The focus is more on individual development than team performance and the calibre of player available for senior squad selection is higher than ever before.

Much of this development is being driven by senior Northern Tigers players who are giving back to the club in a coaching capacity in ever increasing numbers. Our SAP Under 12 players have finished the season off in style, heading to Japan for a week long development tour that will stoke the fires of ambition for another group of players graduating to youth football in 2018.

Another key ambition for the Northern Tigers program is to create a much higher level of integration with local NSFA clubs. In 2017 the Northern Tigers offered more coach education opportunities than ever before, assisted clubs with grading, involved clubs in the SAP recruitment process and coached teams through the XLR8 program. In 2018, the Northern Tigers will be seeking clubs that wish to become Youth Development Partners to encourage an even higher level of integration and engagement. All Northern Tigers players, coaches, parents and volunteers are grateful for the support offered by the NSFA Board and NSFA Clubs throughout the season.

Malcolm Waldock
Chief Executive Officer

Trip to Japan

A combined Northern Tigers SAP and Northern Lions SAP Under 12 team travelled to Osaka, Japan this year to experience the life of a professional footballer over eight days of Japanese cultural and football experiences.

The 16 players on tour were fortunate enough to test themselves against many differing levels of Japanese junior football clubs, experiencing playing against the likes of J-league academies, local club teams and representative school teams. Across the eight day tour the players competed in six games each, against eight different clubs residing from and around Osaka.

An equally rewarding experience for players was the opportunity to be coached by local Japanese coaches, most remarkably with J-league academies Vissel Kobe FC and Cerezo Osaka FC. The boys competed extremely well throughout the tour, quickly adapting to the 8 vs 8 playing format alongside each other to create tactics and formations that fit within our Northern Tigers playing style. Many players were at first surprised by the high technical ability of our Japanese opponents however soon began to appreciate the different approach to training Japanese players adhere to, and coaches manage.

It wasn't just on the field that the players were learning new lessons and strengthening their bond. Off the field, the tour was welcomed like Soccerroos at Daichi Elementary School as the players joined in with classroom lessons, English language challenges and introduced to traditional Japanese games by their new Japanese friends.

Continuing off the field, the players did enjoy some relaxation, with a memorable visit to J-league fixture Cerezo Osaka vs Vegarda Sendai, and a day trip to Universal World.

All players and coaches thoroughly enjoyed their Japanese football and culture experience, learning many lessons and enjoying a latitude of experiences. NSFA would like to thank Red Lion tours and all that welcomed us in Osaka for affording us a truly memorable tour.

- In 1998 introduced separation of statistics into male & female teams
- In 1999 introduced separation of statistics into under 6 & under 7
- In 1999 introduced separation of statistics into all age and O'35 teams
- In 2000 introduced statistics for 6-a-side/summer soccer teams
- In 2001 introduced statistics for representative teams
- In 2004 introduced statistics for special needs teams
- In 2005 introduced separation of statistics into all age women and O'30 teams
- In 2008 introduced separation of statistics into all age, O'35 and O'45 teams

From the Competition Department

Damian Miles

Season 2017 saw one significant change and a dial-back of some of the changes introduced in 2016.

The JMFC added an Under 14 Sunday competition to go with the Under 13 Sunday competition but sadly, we did not receive enough entries to run either competition. The teams that had nominated for a Sunday comp were allowed to compete in the Saturday competition but playing their matches on Sundays. This unfortunately turned out to be somewhat problematic in a couple of competitions, particularly when teams were regraded, and we will need to give a lot of thought as to whether we allow this arrangement again in 2018.

Registration numbers were down by just over 1% on last year's record high although still higher than the 2015 numbers. This season players in the FNSW Girl's SAP programme and the Association Youth League (nee Regional League) were not permitted to also play for association teams and this had a large effect on the numbers. Female participation continued to sit at about 23% with about 73.5% of those registering in female-only competitions.

The Association saw rises in numbers in Senior Mixed football, Girls MiniRoos and Women's Over 35/Over 30 6-a-side. Junior Mixed Youth and MiniRoos and Girl's Youth were down slightly on last year, as was Women's All Age, although this fall was offset by the rise in Over 35s and Over 30s 6-a-side.

After many years of trying the Hornsby RSL club and the Hornsby RSL Youth club were able to finalise a merger to become Hornsby RSL FC. The merger was in place informally in 2016. Hornsby RSL (Youth) entered the competition in 1960 and in that time has won 14 Division One titles and 41 Junior titles in total. The club picked up the President Shield twice and the Secretary's and Treasurer's Shield once each but the club's greatest achievement was to win the Football NSW State Cup in Junior Mixed Under 12s in 2016. Hornsby RSL was formed in 1970 to play Men's football.

The club started in Division Two and won promotion to the first division in 1976. The club then spent 30 consecutive years in Division One/Premier League until being relegated in 2005. There was a scare in 1984 when they finished in the relegation position but were spared when Division 2 winners Mt Kuring-gai folded. In the aftermath the club picked up a number of Mt Kuring-gai players and spent another 21 years in the top division. The club won the KDSA Cup in 1989 in what was the wettest season in living memory and then won the Premier League title in 1991.

During this golden period the club was coached by Soccerro Robert Hooker and included some of the best players I have seen in my time in the Association.

In recent years, the club has added a Men's Over 35 squad and a Women's All Age team although numbers have dropped off with the Over 35s shrinking to a team and the Women's team folding.

The Competitions Department consisted of Adam Cloughton as Competitions Co-ordinator and Paul Orgad as Facilities Officer.

As flagged in my report last year the Competitions Coordinator role became a full-time position in 2017. Adam has experience as both a club administrator and a Help Desk role at FFA in the My-FootballClub Area. Adam was given complete control of Girls and Women's football and Junior Mixed MiniRoos and was also the Help Desk for club administrators needing guidance. Adam has also managed a large Summer Football competition at one of our biggest clubs and will be taking over the management of NSFA's summer football program, with Marcia. Paul has continued his excellent work in managing the use of our 70+ fields in terms of availability, maintenance and training allocations. Paul also spends a lot of his time helping clubs to secure funding to improve the quality of our facilities and has been extremely successful in this endeavour.

In closing, the 2017 season was a relatively smooth and successful one for competitions. There were one or two hiccups revolving around re-grading issues and scheduled Sunday matches but all in all this was a great year. My thanks to Adam, Paul, Marcia, Nick, Malcolm and the Board and all the committees for their assistance in making this possible.

Next season will be a challenging one for the Competition Department as management of all competition affairs moves to the Competition Department from the football committees, on a 12-month trial. The Competitions team is looking forward to the challenge of further enhancing the experience of volunteers and participants in what is our core business: organising football matches.

Damian Miles
Competitions Manager
