Welcome to the NSFA Skellern Cup!

Hosted at the Northern Suburbs Football Association (NSFA) home of football, the NSFA Skellern Cup is once again gearing up to be an exciting two days of school football. Bringing together primary school teams from across the Northern Suburbs of Sydney, the gala day intends to celebrate girls playing football by showcasing the inclusiveness, enjoyment and camaraderie the game provides.

The NSFA Skellern Cup is named after Amanda and Kimberley Skellern, twin sisters who have played representative club football for Northern Tigers FC for over 11 years after beginning their football careers at local club West Pymble FC. Be sure to keep your eyes peeled for the Skellern sisters over the two days who will be on hand to motivate teams, give advice and soak up the atmosphere.

Before you arrive at the ground be sure to read on, discovering our unique points system that will eventually crown the winners of the NSFA Skellern Cup.

Enjoy the two days!

2019/2020 Skellern Cup update

Unfortunately, NSFA Skellern Cup was cancelled in 2020 due to the global pandemic. NSFA are motivated to make 2021 Skellern Cup the best yet! Please see 2019 event update below:

Attendance records were smashed for the third edition of the NSFA Skellern Cup, held at North Turramurra Recreation Area this week.

The tournament, aimed at primary school girls from Years 3 to 6, featured over 700 players from 57 teams across the NSFA region, stretching from Berowra down to Neutral Bay.

Ed Ferguson, NSFA Community Football Manager and Tournament Organiser, was overawed by the involvement in this year's tournament.

"Every year we grow in numbers and this year we actually hit maximum capacity for the Senior Cup (years 5 and 6) on Thursday," Ferguson said.

"The goal for next year will be to retain those numbers and do the same for the Junior Cup."

Teams attain points throughout the day across a broad range of criteria including goals scored, fair play, equal playing time and cheering on their teammates, with the Skellern Cup for each day going to the team with the highest number of points.

The Junior Cup was awarded to Gordon East Public School, while the Senior Cup went to Pymble Public School.

“The points system makes sure that teams are bringing a lot of fun and energy to every game,” Ferguson explained.

“Each year we want every player to go home with a massive smile on their face after a great day of football with their friends.”

With a large portion of participants not regularly involved in football, players were provided with leaflets giving further information about the girls football opportunities available from the NSFA and its member clubs.

Mayor for Ku-ring-gai Jennifer Anderson helped present the Junior Cup on Wednesday, while representatives from Football NSW, Sydney FC and Western Sydney Wanderers were also in attendance across the two days.

All games were officiated by members of the Northern Tigers Women's NPL program, coaches from XLR8 Player Development and NSFA staff.

The NSFA Skellern Cup is named after Amanda and Kimberley Skellern, twin sisters who have played for Northern Tigers FC, the NSFA representative football club, for over ten years and started their football careers with local club West Pymble FC.

NSFA is committed to continuing the Skellern Cup free of charge to schools and participants thanks to our XLR8 Player Development programs.
